Recipes for Reminiscence Danny Walsh, 2017-07-05 This book, written by the author of *The Activity and Reminiscence Yearbook*, is all about exploring our very close relationship with food and its preparation. Because food plays such an important and pleasurable part in our lives, it triggers many memories. Linking the activities and reminiscence ideas here with recipes will further enhance the recollection and allow us to re-experience the tastes of the past. Each chapter includes old recipes for foods and drinks throughout the year and across the decades, and around these have been woven activities, quizzes, and reminiscence material including changes over the years with respect to the food itself, kitchens, cooking utensils, cookers, food styles, food fads in different decades, TV cooks, school meals, making do, snacks, and so on. There are multiple recipes for each week of the year, paired to a reminiscence theme, and an activity presented in a weekly format that activity organisers prefer. Many of the ideas and activities can be undertaken either on a one-to-one basis or as part of a group activity schedule. Group experiences tend to enhance the pleasure and allow for more discussion and sharing of memories, as well as acting as a social get-together. You can use it as a weekly schedule or just dip in and out of it at will. The book includes weekly recipes, reminiscence principles, and activities and information for weeks 1 to 52. It is a must-have book which shows how food can be used successfully as a vehicle for social inclusion and normalisation in institutional settings.

Culinary History of Missouri, A: Foodways & Iconic Dishes of the Show-Me State Suzanne Corbett and Deborah Reinhardt, 2021-09-27 Missouri's history is best told through food, from its Native American and later French colonial roots to the country's first viticultural area. Learn about the state's vibrant barbecue culture, which stems from African American cooks, including Henry Perry, Kansas City's barbecue king. Trace the evolution of iconic dishes such as Kansas City burnt ends, St. Louis gooey butter cake, and Springfield cashew chicken. Discover how Hardscrabble Ozark farmers launched a tomato canning industry and how a financially strapped widow, Irma Rombauer, would forever change how cookbooks were written. Historian and culinary writer Suzanne Corbett and food and travel writer Deborah Reinhardt also include more than eighty historical recipes to capture a taste of Missouri's history that spans more than two hundred years.

The Lost Recipes Ross Dobson,2024-10-29 A glorious endeavour Nigella Lawson Over 90 rediscovered and revived Australian classics thrifty no waste recipes from a time that honoured seasonal locally grown ingredients and truly understood the value of food as comfort Nostalgic yes but completely relevant to today s kitchens Chef and bestselling cookbook author Ross Dobson has a hobby scouring old journals

newspapers and books for Australia's forgotten recipes. While his research has revealed some shockers not worth repeating, he has come across many more worthy dishes that are missing from the repertoire of modern day cooks. In *The Lost Recipes*, he sets about righting this culinary injustice by presenting a selection of bygone gems, savoury and sweet, dating from the Victorian era through to the 1950s, all of them rescued, researched, tested and updated by Ross. Threaded throughout are handy tips, celery leaves dried in the oven and then ground with salt make a seasoning with endless uses, especially good on roasted potatoes, and insights into old-fashioned cooking techniques and ingredients deserving of revival. Among these once forgotten recipes, you will find mushroom ketchup (1886), hot slaugh (1876), olive anchovy salad (1921), devilled whitebait (1938), Sunday Chinese chicken (1949), brisket with macaroni (1915), golden billy bread (1925), pumpkin brownies (1939), cream lilies (1954), green tomato pineapple jam (1933). There isn't one recipe in this book that wasn't in essence once a lovely idea. It has been a privilege and joy to bring them back to life and in a workable condition. Ross Dobson
