#### **Not Quite Forever Not Quite Series 4:**

**Philadelphia** John Lukacs, 2017-07-05 An unorthodox historian known and respected for his work on the grand conflicts of nations and civilizations John Lukacs has peopled a smaller canvas in this volume with seven colourful figures who flourished in Philadelphia before 1950 Their stories are framed by chapters that describe the city in 1900 and in 1950 The Philadelphians selected are a political boss Boies Penrose a magazine mogul Edward Bok an elegant writer Agnes Repplier an impetuous diplomat William C Bullitt a lawyer George Wharton Pepper a prophet of decline Owen Wister and a great art collector Albert C Barnes The political boss was perhaps the most monumental political figure of his age The magazine mogul was the most famous embodiment of the American success story during his lifetime The now almost forgotten writer was the Jane Austen of the essay The diplomat was the most brilliant of ambassadors The terrible tempered collector was a radical proponent of his unusual theory of art Through these seven portraits Lukacs paints a picture of Philadelphia that is like all living things having the power to change out of recognition and yet remain the same This work is a must read for all historians and Philadelphians

**The Gentleman Caller** Philip Dawkins, 2019 Tennessee Williams and William Inge today are recognized as two of the greatest American playwrights whose work irrevocably altered the theatrical and social landscapes In 1944 however neither had achieved anything like genuine success As flamboyant genius Williams prepares for the world premiere of his play The Gentleman Caller to become The Glass Menagerie self loathing Inge struggles through his job as a theater critic denying his true wish to be writing plays Based on real life but closed door encounters reconstructed from troves of comments and elisions by each man about their relationship Philip Dawkins gorgeously envisions what might have taken place during those early career meetings
