The Final Note Kevin Alan Milne, 2008-10-23 In this brand new novel from bestselling author Kevin Milne readers will be inspired yet again by the themes of love loss and renewal Ethan met and fell in love with Anna while studying music abroad in college He married her and fully expected to grow old with her After all they were young life was good and faith in each other came easily as evidenced by the Love Notes Anna periodically left between the strings of his guitar On their wedding day Ethan promised to love honor and cherish his wife and to write a song for her Fast forward to the present day Despite his grand promises reality has proven to be much harder than he anticipated Instead of composing hit songs he's working long hours to provide for his family and still promising to finish Anna's song His formerly hopeful spirit is almost too heavy to carry weighed down as it is by regret His grandfather a veteran of World War II knows a thing or two about regret and bitterness and has his own stories to tell One in particular has the potential to change Ethan's attitude and help him put the past to rest if he can open his heart to the truth of it Can an old soldier's tales of war help Ethan relinquish his anger Is it too late to finish the song he began for Anna on their wedding day Will he be able to remember why he fell in love so many years ago In this tale of loss and heartbreak love and forgiveness Ethan is about to discover that the final note has yet to be written

Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After

the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle

Coben, 2011-01-25 A rare view of a childhood in a European ghetto Anna Spector was born in 1905 in Korsun a Ukrainian town on the Ros River eighty miles south of Kiev Held by Poland until 1768 and annexed by the Tsar in 1793 Korsun and its fluid ethnic population were characteristic of the Pale of Settlement in Eastern Europe comprised of Ukrainians Cossacks Jews and other groups living uneasily together in relationships punctuated by violence Anna's father left Korsun in 1912 to immigrate to America and Anna left in 1919 having lived through the Great War the Bolshevik Revolution and part of the ensuing civil war as well as several episodes of more or less organized pogroms deadly anti Jewish riots begun by various invading military detachments during the Russian Civil War and joined by some of Korsun's peasants In the early 1990s Anna met Lawrence A Coben a medical doctor seeking information about the shtetls to recapture a sense of his own heritage Anna had near perfect recall of her daily life as a girl and young woman in the last days in one of those historic but doomed communities Her rare account the product of some 300 interviews is valuable because most personal memoirs of ghetto life are written by men Also very often Christian neighbors appear in ghetto accounts as a stolid peasant mass assembled on market days as destructive mobs or as an arrogant and distant collection of government officials and nobility Anna's story is exceptionally rich in a sense of the Korsun Christians as friends neighbors and individuals Although the Jewish communities in Eastern Europe are now virtually gone less than 100 years ago they counted a population of millions The firsthand records we have from that lost world are therefore important and this view from the underrecorded lives of women and the young is particularly welcome
