## **North West University Potchefstroom Campus Application 2016:**

### **Community Engagement in Higher Education** Manju Singh, Purva Bhatt, Wafa Singh, Kumar Sambhav

Pareek, 2023-06-19 This book explores the finer nuances of community engagement in Indian higher education ranging from theory to practice. It contextualizes the concept and practice of community engagement in the contemporary context capturing global experiences, insights and varied standpoints. The volume also identifies gaps present in the system and recommends solutions for the successful implementation and scaling up of the practice of community engagement not only in India but also at the global level. It also brings to the forefront opinions, perspectives and experiences of stellar women and their valuable scholarship with the aim of addressing the gender gap in the field of knowledge production on community engagement. The book will be of interest to scholars, teachers and researchers of education, higher education and sociology of education. It will also be useful for academicians, think tanks, higher education administration, policymakers, civil society organizations, higher education institutions and those interested in the study of community engagement.

**The Status of Student Involvement in University Governance in Kenya** Mulinge, Munyae M., Arasa, Josephine N., 2017-05-05 This book examines the concept of the democratization of governance in universities in Kenya with particular emphasis on students' involvement in governance processes and decision making. Data were collected from members of the student community utilizing a structured self-administered questionnaire and from purposively selected key informants and focus group discussants drawn from Kenyatta University representing the public sector and the United States International University representing the private sector. The guiding argument for the study was that shared governance, one of the principles of good governance, is critical in enabling the universities to deliver their visions and the missions effectively. The results revealed that while in principle Kenyan universities have embraced democratic governance in which all stakeholders including students have a role to play, in practice they continue to violate the core principles of good governance, particularly shared governance. Specifically, students who are major stakeholders in university education are largely excluded from significant structures of governance, thereby limiting their influence and participation. Although their representation is mainly provided via student self-governance organs, unions, associations and/or councils, their effectiveness is undermined considerably by the lack of trust and confidence of the student body and the unending manipulation by top university administrators and external political actors. Student active involvement in decision making is mainly confined to lower levels such as the school, faculty and departmental programme. The authors call for a paradigm shift in the involvement of students in the governance of universities in ways that discourage the current culture of tokenism and political correctness that characterizes public and private universities in Kenya.

### **The Oxford Handbook of Johannine Studies** Judith M. Lieu, Martinus C. de

Boer, 2018-07-19 The contribution of the Johannine literature to the development of Christian theology and particularly to Christology is uncontested, although careful distinction between the implications of its language, especially that of sonship, in

a first century Jewish context and in the subsequent theological controversies of the early Church has been particularly important if not always easily sustained Recent study has shaken off the weight of subsequent Christian appropriation of Johannine language which has sometimes made readers immune to the ambiguities and challenging tensions in its thought The Oxford Handbook of Johannine Studies begins with chapters concentrating on discussions of the background and context of the Johannine literature leading to the different ways of reading the text and thence to the primary theological themes within them before concluding with some discussion of the reception of the Johannine literature in the early church Inevitably given their different genres and levels of complexity some chapters pay most if not all attention to the Gospel whereas others are more able to give a more substantial place to the letters All the contributors have themselves made significant contributions to their topic They have sought to give a balanced introduction to the relevant scholarship and debate but they have also been able to present the issues from their own perspective The Handbook will help those less familiar with the Johannine literature to get a sense of the major areas of debate and why the field continues to be one of vibrant and exciting study and that those who are already part of the conversation will find new insights to enliven their own on going engagement with these writings

**A Scholarship of Doctoral Education** Petro du Preez,Shan

Simmonds,2018-11-21 This edited collection is cohesive by a focus on becoming becoming a doctoral student becoming a researcher becoming an academic and becoming a supervisor This journey of becoming takes us from pre enrolment in a doctoral programme through the many phases of candidature and into the post doctoral environment Both advancing theory and providing very practical examples this book is of immense value to doctoral students and academics not only in South Africa for whom it should be a mandatory read but also for doctoral education researchers doctoral students and supervisors worldwide as the themes covered extend well beyond the borders of South Africa

**Beyond Expropriation Without Compensation** Olaf Zenker,Cherryl Walker,Zsa-Zsa Boggenpoel,2024-04-04

Speeding up land reform through a constitutional amendment that would explicitly permit the expropriation of land without compensation has dominated legal and political policy debates in South Africa in recent years Taking this politically and emotionally charged issue as its starting point this volume offers both expert commentary on this issue from a variety of disciplinary perspectives and also fresh ideas on how to advance the redistributive transformation that South Africa so urgently needs It brings critically important debates around transformative property law the need for diversified land justice and the possibilities of alternative forms of redistribution into productive conversation with each other While grounded in the complex realities of South Africa s past and present the volume speaks to concerns that resonate in many contexts in the Global South and beyond It will appeal to scholars students policymakers and general readers concerned with both the theory and practice of redistributive justice This title is also available as Open Access on Cambridge Core

**African Perspectives on Reshaping Rural Development**

Mafukata, Mavhungu Abel,Tshikolomo, Khathutshelo Alfred,2019-11-22 Development studies in developing regions such as

Southern Africa rely heavily on materials developed by Europeans with a European context European dominance in development studies emanates from the fact that the discipline was first developed by Europeans Some argue that this has led to distortions in theory and practice of development in Southern Africa This book wishes to begin Africa s expedition to develop proper material to de Westernize while Africanizing the context of the scholarship of rural development African Perspectives on Reshaping Rural Development is an essential reference source that repositions the context of rural development studies from the Western centric knowledge system into an African context in order to solve African centered problems Featuring research on topics such as food security poverty reduction and community engagement this book is ideally designed for planners researchers practitioners policymakers government officials academicians and students seeking clarity on theory and practice of development in Africa

### **Turmoil, Trauma and Tenacity in Early Jewish Literature**

Nicholas P. L. Allen, Jacob J. T. Doedens, 2022-08-01 This volume is written in the context of trauma hermeneutics of ancient Jewish communities and their tenacity in the face of adversity i e as recorded in the MT LXX Pseudepigrapha the Deuterocanonical books and even Cognate literature In this regard its thirteen chapters are concerned with the most recent outputs of trauma studies They are written by a selection of leading scholars associated to some degree with the Hungaro South African Study Group Here trauma is employed as a useful hermeneutical lens not only for interpreting biblical texts and the contexts in which they were originally produced and functioned but also for providing a useful frame of reference As a consequence these various research outputs each in their own way confirm that an historical and theological appreciation of these early accounts and interpretations of collective trauma and its implications perceived or otherwise is critical for understanding the essential substance of Jewish cultural identity As such these essays are ideal for scholars in the fields of Biblical Studies particularly those interested in the Pseudepigrapha the Deuterocanonical books and Cognate literature

### Issues Around Aligning Theory, Research and Practice in Social Work Education Allucia L. Shokane, Jabulani C.

Makhubele, Lisa V. Blitz, 2018-12-01 Issues Around Aligning Theory Research and Practice in Social Work Education provides a reflection on social work education with a slant towards an Afrocentric approach aiming to facilitate strong reflective thinking and to address local realities about social work education on the African continent as well as in broader global contexts This volume focuses on issues around aligning theory research and practice in social work education A significant contribution is made here to the scholarly understanding of opportunities to sustain the academic discourse on social work education Social work as a profession and a social science discipline is dynamic and it ought to meet the challenges of the realities of the societies in which it serves given the history of the changing society of South Africa from apartheid to democracy Over the years social work education and training has undergone tremendous curricular changes with the enactment of the White Paper for Social Welfare and the national review respectively by the South African Council for Social Services Professions SACSSP and the Council on Higher Education CHE for the re accreditation of all Bachelor of Social

Work BSW programmes in South Africa fulfilling the prescripts of the Higher Education Act No 101 of 1997 as amended and Social Service Professions Act No 110 of 1978 It is worth mentioning that the curricular changes will also continue with the current reviewing of Social Service Professions Act No 110 of 1978 as amended which is underway in South Africa This book is really ground breaking The Afrocentric perspective on social work practice contributes to the current discourse on decolonisation of social work teaching and practice From a methodological perspective the book is premised on multi inter and trans disciplining in social sciences It covers aspects of social work education and practice through research narrative qualitative African methodology secondary data analysis etc engendering values and ethics report writing supervision in fieldwork as well as exchange programmes and international service learning addressing a number of concepts such as cultural competency cultural awareness and sensitivity are addressed *ISCONTOUR 2019 Tourism Research Perspectives* Christian Maurer, Hubert Siller, 2019-03-28 The International Student Conference in Tourism Research ISCONTOUR offers students a unique platform to present their research and establish a mutual knowledge transfer forum for attendees from academia industry government and other organisations The annual conference which is jointly organized by the IMC University of Applied Sciences Krems and the Management Center Innsbruck takes place alternatively at the locations Krems and Innsbruck The conference research chairs are Prof FH Mag Christian Maurer University of Applied Sciences Krems and Prof FH Mag Hubert Siller Management Center Innsbruck The target audience include international bachelor master and PhD students graduates lecturers and professors from the field of tourism and leisure management as well as businesses and anyone interested in cutting edge research of the conference topic areas The conference topics include marketing and management tourism product development and sustainability information and communication technologies finance and budgeting and human resource management **Applied Water Science, Volume 1** Inamuddin, Mohd Imran Ahamed, Rajender Boddula, Tauseef Ahmad Rangreez, 2021-06-22 Water is one of the most precious and basic needs of life for all living beings and a precious national asset Without it the existence of life cannot be imagined Availability of pure water is decreasing day by day and water scarcity has become a major problem that is faced by our society for the past few years Hence it is essential to find and disseminate the key solutions for water quality and scarcity issues The inaccessibility and poor water quality continue to pose a major threat to human health worldwide Around billions of people lacking to access drinkable water The water contains the pathogenic impurities which are responsible for water borne diseases The concept of water quality mainly depends on the chemical physical biological and radiological measurement standards to evaluate the water quality and determine the concentration of all components then compare the results of this concentration with the purpose for which this water is used Therefore awareness and a firm grounding in water science are the primary needs of readers professionals and researchers working in this research area This book explores the basic concepts and applications of water science It provides an in depth look at water pollutants classification water recycling qualitative and quantitative

analysis and efficient wastewater treatment methodologies It also provides occurrence human health risk assessment strategies for removal of radionuclides and pharmaceuticals in aquatic systems The book chapters are written by leading researchers throughout the world This book is an invaluable guide to students professors scientists and R D industrial specialists working in the field of environmental science geoscience water science physics and chemistry **Handbook of Research on Bioeconomy and Economic Ecosystems** Pego, Ana,2023-07-19 Bioeconomy is an essential natural capital for life citizen well being and societal prosperity After decades of intense damaging use pollution and hydrological stress Europe s ecosystems are acutely threatened with serious degradation This situation not only means acute economic loss but also entails catastrophic ecological social and cultural damage Handbook of Research on Bioeconomy and Economic Ecosystems is a critical resource that explores the conservation of ecosystems and their biodiversity and discusses potential new challenges in terms of the economic social and environmental path for Europe and other regions of the world Featuring research on topics such as bioeconomy circular economy and economic and social analysis this book is ideally designed for city authorities experts officers business representatives economists politicians academicians and researchers **ECEL 2019 18th European Conference on e-Learning** Rikke Ørngreen,Bente Meyer,Mie Buhl ,2019-11-07 *Urban Tourism in the Global South* Christian M. Rogerson,Jayne M. Rogerson,2021-07-13 This book examines and addresses the particular character of urban tourism occurring in the global South It presents research essays on tourism in urban areas of South Africa a country which is associated with big 5 nature tourism but where urban areas are also major tourism destinations The book contextualizes urban tourism in South Africa as part of the other half of urban tourism an overlooked but energetic scholarship which is emerging on urban places in the global South The volume moves to present a collection of original material variously on national perspectives on urban tourism following by a cluster of city level perspectives The last three contributions turn to the role of tourism in small towns the bottom rung in the urban settlement system Issues of concern include gastronomic tourism VFR travel airportsclapes climate change AirBnb and creative tourism Finally as COVID 19 is potentially a defining historical moment for urban tourism the volume incorporates historical research perspectives in order to address the overwhelming present mindedness of mainstream urban tourism writings The book highlights the challenges and opportunities for tourism development in the environment of the urban global South and is relevant to scholars of both tourism and urban studies as well as researchers in development studies **Frogs of Southern Africa - A Complete Guide** Louis du Preez,2017-11-01 Frogs of Southern Africa A Complete Guide remains the most authoritative and comprehensive treatment of the frogs of the region ever produced covering all aspects of frog and tadpole biology and behaviour This new edition with a slight name change has been thoroughly updated to reflect taxonomic changes based on the most recent research and DNA studies and includes the discovery of seven new species All 164 southern African frog species and their tadpole stages are fully described along with their conservation status calls habitat and habits Identification

is made easy with the aid of large full colour images keys to species and summary panels on Key ID points and Distinctive characters Calls for most species can be accessed instantly via QR codes in the book or downloaded from a dedicated website Spectrograms of the calls are also included in the book Written by respected authorities in the field this timely updated edition will be of benefit to all nature lovers amateur froggers students and professional scientists *Bioactive Compounds* Mozaniel Santana de Oliveira, Leo M.L. Nollet, 2025-07-21 The potential of bioactive compounds can be unlocked through an in depth examination of their properties in the book titled Bioactive Compounds Identification and Characterization of their Food and Pharmacological Potential This comprehensive volume provides an in depth examination of the complexities of bioactive compounds offering a meticulous exploration of their identification characterization and multifaceted roles in food and pharmaceutical applications Through comprehensive analyses and illustrative case studies this book elucidates the intricacies of isolating and understanding bioactive compounds highlighting their multifaceted biological activities and therapeutic potential Readers will gain insights into the latest techniques for extracting purifying and analyzing these compounds crucial for identifying them in diverse natural sources Each chapter elucidates the scientific principles that underpin the biological effects of bioactive compounds also addressing practical considerations for their application in functional foods nutraceuticals and pharmaceutical formulations The scope of these effects encompasses antioxidants and antimicrobials anti inflammatory agents and other biological activities This scholarly work bridges the gap between theory and application making it an indispensable resource for researchers academics and professionals in the fields of food science pharmacology and biomedical research Key Features Comprehensive Coverage Explores bioactive compounds in depth covering identification characterization and applications in food and pharmaceutical industries Cutting Edge Research Integrates the latest methods for extracting purifying and analyzing bioactive compounds ensuring relevance and timeliness Practical Applications Provides insights into developing functional foods nutraceuticals and pharmaceuticals with bioactive compounds bridging theory and practice Multidisciplinary Approach Addresses the roles of bioactive compounds from nutritional and therapeutic perspectives appealing to researchers and professionals across fields Authoritative Resource Offers a valuable reference for understanding and utilizing bioactive compounds in diverse scientific and industrial settings

**Social Media and Modern Society - How Social Media Are Changing the Way We Interact with the World** Around Ján Višňovský, Jana Majerová, 2024-11-27 This book offers a compelling exploration of how social media platforms are reshaping contemporary life and driving economic political and cultural transformations It brings together theoretical insights and empirical studies to examine the multifaceted impact of social media on communication behavior policy and societal norms The various chapters address critical issues such as digital marketing social responsibility and the role of influencers emphasizing how businesses and individuals are navigating the evolving digital landscape The book delves into pressing concerns including the psychological effects of social media on youth the spread of misinformation and the

challenges of digital addiction It highlights the dual nature of social platforms as both enablers of civic engagement and sources of division presenting case studies on topics such as political discourse community activism and local democracy

*Self-directed learning research and its impact on educational practice* Elsa Mentz,Roxanne Bailey,2021-05-17 This scholarly book is the third volume in an NWU book series on self directed learning and is devoted to self directed learning research and its impact on educational practice The importance of self directed learning for learners in the 21st century to equip themselves with the necessary skills to take responsibility for their own learning for life cannot be over emphasised The target audience does not only consist of scholars in the field of self directed learning in Higher Education and the Schooling sector but includes all scholars in the field of teaching and learning in all education and training sectors The book contributes to the discourse on creating dispositions towards self directed learning among all learners and adds to the latest body of scholarship in terms of self directed learning Although from different perspectives all chapters in the book are closely linked together around self directed learning as a central theme following on the work done in Volume 1 of this series Self Directed Learning for the 21st Century Implications for Higher Education to form a rich knowledge bank of work on self directed learning

*Graphics Recognition. Current Trends and Evolutions* Alicia Fornés,Bart Lamiroy,2018-11-22 This book constitutes the thoroughly refereed post conference proceedings of the 12th International Workshop on Graphics Recognition GREC 2017 held in Kyoto Japan in November 2017 The 10 revised full papers presented were carefully reviewed and selected from 14 initial submissions They contain both classical and emerging topics of graphics recognition namely analysis and detection of diagrams search and classification optical music recognition interpretation of engineering drawings and maps

Comparative and International Education C. C. Wolhuter,2019-08-26 This book explores the evolution and current state of the scholarly field of comparative and international education over 200 years of development Experts in the field explore comparative and international education in each of the major world regions

*Smart Futures, Challenges of Urbanisation, and Social Sustainability* Mohammad Dastbaz,Wim Naudé,Jamileh Manoochehri,2018-04-10 This book tackles the challenges posed by accelerating urbanization and demystifies Social Sustainability the least understood of all the different areas of sustainable development The volume s twin focus on these profoundly intertwined topics creates a nuanced and vitally important resource Large migrations from rural areas to cities without appropriate planning and infrastructure improvements including housing education and health care optimization have created significant challenges across the globe The authors suggest technology rich strategies to meet these challenges by careful application of data on population growth and movement to the planning design and construction of operational infrastructures that can sustainably support our increasingly rapid population growth
