Saying Things Martin Naparsteck, 2002-08-26 The 15 stories in this innovative collection interlock so smoothly that the book as a whole reads like a novel They follow Mickey Fingerhut from when he is 14 years old in a small Pennsylvania coal mining town through college Vietnam marriage death of a young son and divorce to a search for meaning in the New Mexico desert The award winning writer Book of the Month Club Fellowship Mississippi Review Prize examines loneliness desire guilt and a gamut of other human emotions in these stories which are both accessible and often experimental Reminiscent of Faulkner in their exploration of the human heart these stories will also remind some readers of Richard Yates and Ernest Hemingway in the clarity of their art The Chicago Literary Experience Frederik Byrn Køhlert, 2011 The Chicago Literary Experience is a concise literary history of the city of Chicago Taking as its thematic starting point the city's famous World's Columbian Exposition of 1893 the book provides an account of the city's rapid and in many ways unprecedented development from trading post to metropolis and examines the many literary responses to this new urban environment By contextualizing literature written about the city in these formative years the book shows not only how the city influenced its writers but also how these writers struggled to transform their urban environment into literary forms Covering such aspect as the emergence of the novel of the businessman as cultural hero the humorous newspaper columns of the late nineteenth century and the Depression era revitalization of Chicago literature from its ethnic neighborhoods the book moves beyond the obvious classics and rediscovers a vibrant literary tradition that restores almost forgotten writers such as Eugene Field and Floyd Dell to their place in American literary history Given the historical approach and the breadth of material covered the book will be valuable to anyone wanting to understand how American literature in this defining period moved from the farm to the city and what happened to it once it had arrived Authors discussed include Jane Addams George Ade Nelson Algren Sherwood Anderson Saul Bellow Gwendolyn Brooks Willa Cather Floyd Dell Theodore Dreiser James T Farrell Eugene Field Henry B Fuller Hamlin Garland Robert Herrick Jack London Frank Norris Carl Sandburg Upton Sinclair and Richard Wright Frederik Byrn Køhlert is a doctoral student at the University of Montreal He has an MA in English from the University of Oregon and an MA in English and Scandinavian Literature from the University of Aarhus Denmark **The Silk Road** James A. Millward, 2013-04-10 The phrase silk road evokes vivid scenes of merchants leading camel caravans across vast stretches to trade exotic goods in glittering Oriental bazaars of pilgrims braving bandits and frozen mountain passes to spread their faith across Asia Looking at the reality behind these images this Very Short Introduction illuminates the historical background against which the silk road flourished shedding light on the importance of old world cultural exchange to Eurasian and world history
