Heterosexuality Rachel Carroll,2012-04-04 Heterosexuality in contemporary novels re examined using the frameworks of feminism and queer theory Drawing on feminist and queer theories of sex gender and sexuality this study focuses on female identities at odds with heterosexual norms In particular it explores narratives in which the conventional equation between heterosexuality reproductive sexuality and female identity is questioned It Gets Better Dan Savage,Terry

Miller,2012-01-25 In 2010 Dan Savage and his partner Terry Miller uttered three words that would give rise to a global movement focused on empowerment of LGBTQ youth it gets better Growing up isn t easy Many young people face daily tormenting and bullying and this is especially true for LGBTQ kids and teens In response to a number of tragic suicides by LGBTQ students syndicated columnist and author Dan Savage uploaded a video to YouTube with his partner Terry Miller Speaking openly about the bullying they suffered and how they both went on to lead rewarding adult lives their video launched the It Gets Better Project YouTube channel and initiated a worldwide phenomenon It Gets Better is a collection of original essays and expanded testimonials written to teens from celebrities political leaders and everyday people because while many LGBTQ teens can t see a positive future for themselves we can The Transformative Power of Literature and

Narrative: Promoting Positive Change Corinna Assmann,Jan Rupp,Christine Schwanecke,2023-01-16 Narrative plays a central role for individual and collective lives this insight has arguably only grown at a time of multiple social and cultural challenges in the 21st century The present volume aims to actualize and further substantiate the case for literature and narrative taking inspiration from Vera N nning s eminent scholarship over the past decades Engaging with her formative interdisciplinary work the volume seeks to explore potentials of change through the transformative power of literature and narrative to be harnessed by individuals and groups as agents of positive change in today s world The book is located at the intersection of cognitive and cultural narratology and is concerned with the way literature affects individuals how it works at an intersubjective level enabling communication and community and how it furthers social and cultural change Selfless Love and Human Flourishing in Paul Tillich and Iris Murdoch Julia T. Meszaros,2016-03-03 In an age of self affirmation and self assertion selfless love can appear as a threat to the lover s personal well being This perception jars with the Biblical

promise that we gain our life through losing it and therefore calls for a theological response In conversation with the Protestant theologian Paul Tillich and the atheistic moral philosopher and novelist Iris Murdoch *Selfless Love and Human Flourishing* in Paul Tillich and Iris Murdoch enquires into the anthropological grounds on which selfless love can be said to build up rather than undermine the lover's self It proposes that while the implausibility of selfless love was furthered by the modern deconstruction of the self both Tillich and Murdoch utilize this very deconstruction towards explicating and restoring the link between selfless love and human flourishing Julia T Meszaros shows that they use the modern diagnosis of the human being's lack of a stable and independent self as manifest in Sartre's existentialism in support of an understanding of the self as relational and fallen This leads them to view a loving orientation away from self and a surrender to the other as critical to the full flourishing of human selfhood In arguing that Tillich and Murdoch defend the link between selfless love and human flourishing through reference to the human being's ontological selflessness Meszaros closely engages Søren Kierkegaard's earlier attempt to keep selfless love and human flourishing in a productive dialectical tension She also examines the breakdown of this tension in the later figures of Anders Nygren Simone Weil and Jean Paul Sartre and addresses the pitfalls of this breakdown Her examination concludes by arguing that the link between selfless love and human flourishing would be strengthened by a more resolute endorsement of a personal God and of the reciprocal nature of selfless love

introductory essay explores the themes their representation in the films and the ways in which they may be elucidated by a psychoanalytically informed critique Brief paragraphs between the sections of the book facilitate the transitions In an appendix there are three essays titled *Mise en scene Whatever Flames Upon the Night and Mad Doctors* Fork on the Left, Knife in the Back Michael Musto, 2014-06-24 For over a quarter of a century Michael Musto entertained the country with his column *La Dolce Musto* in the *Village Voice* fabulous funny and flippant this collection is an insider's guide to the glittering highs and desperate lows of New York City's more colorful residents Hailed by the *New York Times* as the city's most punny raunchy and self-referential gossip columnist Michael Musto doled out wit and wisdom in his weekly *Village Voice* column for twenty-nine years This waggish and wise book contains highlights from his published pieces as well as several original essays With his trademark slashing humor Musto weighs in on everything from celebrities in need of counseling to cheap thrill seeking and why weirdos are his heroes No one is spared including the self-proclaimed King of Gossip himself His interviews and profiles of Paris Hilton Sandra Bernhard Crispin Glover Kiki and Herb Sarah Silverman and other fringe celebrities are priceless made all the more vivid by Musto's extraordinary access *Catty titillating and endlessly enthralling Fork on the Left Knife in the Back* is a feast for the senses a must-have book for Musto devotees and fans of popular culture This ebook features an introduction by the author The Politics of the Wretched Zahi Zalloua, 2024-09-05 The *Politics of the Wretched* argues for resentment's generative negativity prompting a shift from resentment as a personal expression of frustration to resentment as a collective No Inspired by Kant and Nietzsche's philosophy Zalloua identifies two modes of deploying resentment private and public use by substituting resentment for reason This reinterpretation argues for a public use of resentment for the wretched to universalize their grievances to see their antagonism as cutting across societies and to turn personal trauma into a common cause A public use of resentment rails against the ideology of identity and victimhood and insists on resentment's generative negativity its own rationality prompting a shift from resentment as a personal expression of frustration to resentment as a collective No Reframing resentment as a tool to oppose the evils of capitalism anti-Blackness and neocolonialism it both alarms the liberal gatekeepers of the status quo and promises to energize the anti-racist Left in its ongoing struggles for universal justice and emancipation Musings on Perimenopause and Menopause Heather Dillaway, Laura Wershle, 2021-04-23 A woman muses about buying lovely new panties another sets out on the trip of a lifetime a blogger offers information support and community to perimenopausal women researchers uncover myths and misconceptions about migrant and refugee women's experiences of menopause a gerontology scholar extrapolates for menopause the meanings of cultural representations of childbirth a sociologist and intersex advocate challenges her medically constructed menopause young women's stories inform an inquiry into the health and social repercussions of primary ovarian insufficiency all in a collection of research papers and personal narratives that moves far beyond the idea of menopause as a mere biological marker While biomedical and feminist researchers agree that menopause is a time of
