**Encyclopedia of Feminist Literature** Mary Ellen Snodgrass,2014-05-14 An accessible one volume encyclopedia this addition to the Literary Movements series is a comprehensive reference guide to the history and development of feminist literature from early fairy tales to works by great women writers of today Hundred Southern Writers Joseph M. Flora,Amber Vogel,2006-06-21 This

new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries, nearly double the earlier edition's, written by 264 scholars. For every figure, major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here, in one convenient source, are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a southern writer is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.

*Browser's Book of Texas Quotations* Steven A. Jent, 2001-02-20 From the sixteenth century through the twentieth, Texans have had interesting things to say about themselves, their home, and the rest of the world. People beyond its borders have had interesting things to say about Texas, and Texans, for almost as long. This book brings together some 700 noteworthy quotations from or about Texas. Collectively, they form a portrait of this unique place in the words of the people who have lived and created the Texas experience.

*Stirring It Up with Molly Ivins* Ellen Sweets, 2022-02-24 A rendering of a deep and lasting friendship. Dozens of anecdotes about Sweets and Ivins and their rollicking adventures in cooking and eating. *Denver Post*. You probably knew Molly Ivins as an unabashed civil libertarian who used her sharp wit and good ole Texas horse sense to excoriate political figures she deemed unworthy of our trust and respect. But did you also know that Molly was one helluva cook? And we're not just talking chili and chicken fried steak, either. Molly Ivins honed her culinary skills on visits to France, often returning with perfected techniques for saumon en papillote or delectable clafouti aux cerises. Friends who had the privilege of sharing Molly's table got not only a heaping helping of her insights into the political shenanigans of the day but also a mouth-watering meal prepared from scratch with the finest ingredients. In *Stirring It Up with Molly Ivins*, her longtime friend, fellow reporter, and frequent sous chef Ellen Sweets takes us into the kitchen with Molly and introduces us to the private woman behind the public figure. She serves up her own and others' favorite stories about Ivins as she recalls the fabulous meals they shared, complete with recipes for thirty-five of Molly's signature dishes. Friends who ate with Molly knew a cultured woman who was a fluent French speaker, voracious reader, rugged outdoors aficionado, music lover, loyal and loving friend, and surrogate mom to many of her friends' children, as well as to her super-spoiled poodle. They also came to revere the courageous woman who refused to let cancer stop her from doing what she wanted when she wanted. This is the Molly you'll be delighted to meet in

Stirring It Up with Molly Ivins Ms Sweets s anecdotes about the cast of characters who roundtabled Ms Ivins s home are as satisfying as the Texas pistol s concoctions *The Wall Street Journal* **Summary: Molly Ivins** BusinessNews Publishing,2017-01-30 The must read summary of Bill Minutaglio and W Michael Smith s book Molly Ivins A Rebel Life This complete summary of Molly Ivins by Bill Minutaglio and W Michael Smith presents the account of the life of one of America s most courageous and influential journalists written by two people who worked closely alongside her during her lifetime It celebrates the contributions that Ivins made to journalism and feminism and outlines how her conservative Texas upbringing did not stop her from pursuing her own values and being motivated by her own political standpoint Added value of this summary Save time Understand the life of Molly Ivins and her contributions to journalism Expand your knowledge of American politics and society To learn more read Molly Ivins and discover the fascinating life of one of America s most provocative and daring journalists

**The Truth Shall Make You Odd** Frank G. Honeycutt,2011-02-01 In the life of a pastor it can be tempting to offer half truths that make everyone happy and the pastor popular Speaking difficult truths may anger or alienate church members but authentic pastoral care sometimes requires it How can those in ministry speak honestly in the inevitable awkward situations they face Here a wise and witty pastor storyteller draws on his church life experiences over the past twenty five years including sermons funerals and board meetings to offer nitty gritty guidance on handling the uncomfortable situations that all pastors face Utilizing humor and encouragement and speaking across denominational lines Frank Honeycutt examines a variety of biblical contexts where the truth of Jesus is difficult to hear but direly needed especially in settings where half truths are the norm He shows pastors how to courageously speak the truth no matter the risk or cost
