**Teaching and Learning Resources for Endangered Languages**, 2023-05-15 The development of teaching and learning materials is an essential component of endangered language revitalisation yet there is very little academic research on this crucial topic Our volume seeks to address this imbalance by examining endangered language pedagogical materials from around the world including traditional resources such as grammars dictionaries and textbooks as well as new media such as online courses apps video games etc Chapters provide theoretical and applied perspectives and consider Indigenous and other threatened languages

from various regions of the world including the Americas Australia Europe the Indian subcontinent and Southeast Asia This volume is the first in the FEL Yearbook Series Bible Translation: An Introductory Course in Translation Principles, Fourth Edition Katharine Barnwell, 2022-03-07 Bible Translation An Introductory Course in Translation Principles continues to provide crucial practical training for those preparing to translate the Bible or contribute to Bible translation in other ways The fourth edition of this classic textbook is a leading voice in addressing the following developments in the Bible translation world The priority of oral communication and its value in drafting testing and polishing draft translations The availability of software and online resources specifically designed for Bible translation exercises and assignments include practice in the use of these resources The increase in Old Testament translation projects worldwide more examples and exercises from the Old Testament are included The value of partnership and teamwork in translation projects recognizing the different gifts skills and roles of those involved helping each team member to serve effectively as a member of a team The involvement of local churches and community in the translation process planning for local responsibility ownership and sustainability as fully as possible in each translation project The importance of ongoing training for translators including training translators to train others and preparing capable translators to serve as translation consultants in due time The materials are designed for the classroom but are also suitable for self study for example by those who are already qualified in biblical languages and exegetical skills and are training as translation consultants A companion Teacher's Manual is also available Documents references and links to videos and other published works can be found online at [publications.sil.org/bibletranslation\\_additionalmaterials](http://publications.sil.org/bibletranslation_additionalmaterials) Bible Translation An Introductory Course in Translation Principles has previously been translated in whole or in part into French Hindi Indonesian Kannada Malagasy Malayalam Marathi Oriya Portuguese Russian Slovak Spanish Swahili Tamil and Telugu For information on translation or republishing contact [sil.org/resources/publications/about/contact](http://sil.org/resources/publications/about/contact) Asian English Language Classrooms Handoyo Puji Widodo, Alistair Wood, Deepti Gupta, 2017-06-14 The teaching of English in the Asian context is always challenging and dynamic because both teachers and learners have diverse linguistic and cultural backgrounds Equally important where English is not widely used outside the classroom English language classrooms are an authentic site of learner engagement For these reasons for all those concerned with contemporary English language teaching ELT in Asia Asian English Language Classrooms Where Theory and Practice Meet provides an account of theoretical orientations and practices in the teaching of English to multilingual speakers whose primary language is not English While covering the fundamental ELT areas e.g. the teaching of language skills educational literature the use of technology in ELT the role of pragmatics in ELT social psychology of the language classroom and language classroom management with which every language teacher and teacher trainer must be concerned this volume showcases how particular orientations shape ELT practices We believe that practicing English teachers must have a heightened awareness of the theory behind their practice At the same time the theoretical stance must be firmly

anchored in actual classrooms Containing newly commissioned chapters written by well regarded and emerging scholars this book will appeal not only to beginning teachers or teachers in training but also to established teachers around Asia where English is used as a lingua franca If you are a student teacher of English or an English teacher who would like to see what other progressive teachers like you are doing across Asia this is the book you have been looking for
