Beyond the Bake Sale Jamie Simek, 2022-02-20 If food is nourishment to a person money is sustenance for most nonprofit organizations Yet many small organizations rely on one off efforts and get rich events in place of real fundraising strategies Just because an organization is small or volunteer run or located in a rural area does not mean its leaders can t professionalize their fundraising establish effective processes and build genuine relationships that will lead to the ultimate goal people giving to people *Beyond the Bake Sale* Fundraising for Local History Organizations meets organizations where they are cutting through all of the assumptions and mumbo jumbo taking professional fundraising strategies and scaling them to an accessible level Designed specifically for small cultural heritage organizations this book is written with their unique challenges in mind From caring for objects based collections to succeeding with minimal or no permanent staff to grant writing for those who ve never written grants this book is for local history organization leaders doing critical work to care for our shared history Complete with explanations examples and thought provoking questions this book challenges local history leaders to brainstorm communicate experiment and plan Blank worksheets encourage readers to put ideas down in writing and establish processes to build upon Whether read cover to cover or used as a reference text for specific topics users will find material that begins with a broad overview before narrowing to focus on tips and tactics that will help grassroots fundraisers feel more comfortable confident and confident in their efforts Above all else this book is grounded in the idea that fundraising is an intentional people focused process built on genuine personal relationships This philosophy should be as accessible to leaders at small cultural heritage organizations as to anyone else doing important nonprofit work in their communities News-letter ,1995 **Navigator** ,1975 *Beyond the Bake Sale* Anne T.
