Wilson's 14 Points Number	What's the main idea of this point?
i	called for transparent and open negotiations between nations, aiming to eliminate secret treaties and backroom deals.
ii	unrestricted navigation on the seas during peacetime, emphasizing the idea that the seas should be free for all nations
iii	the removal of economic barriers and the promotion of free trade between nations for economic prosperity
iv	a reduction of arms and military forces among nations to prevent future conflicts and maintain global peace
v	a fair and impartial settlement of colonial claims to prevent disputes over colonial territories
vi	the recognition of the sovereignty of Russia and its right to determine its own political future after the Russian Revolution.
vii	the restoration of Belgium and the evacuation of German forces from Belgian territory, which had been occupied during the war.
viii	All French territory that was occupied during the war should be freed, and the invaded portions should be restored.
ix	The frontiers of Italy should be adjusted based on clearly recognizable lines of nationality.
x	Austria-Hungary should have free opportunity for autonomous development.
xi	Rumania, Serbia, and Montenegro should be evacuated, their occupied territories restored, and opened as a free passage to the ships and commerce of all nations
xii	The Turkish portion of the Ottoman Empire should be guaranteed secure sovereignty.
xiii	An independent Polish state should be established with free and secure access to the sea
