Recalibrating Praise O. Glory, 2020-07-26 We are now more concerned with efficiency than destiny speed than direction following crowd than original purpose non essentials disconnect us from the essentials of life ephemeral instead of eternal and creations in place of the creator God is calling individuals families cooperations organisations governments and nations to stop for realignment back to His original standard Praise has shared in her books the need for us to stop and recalibrate

our inner compass especially during challenging times As Christians the darkness trials trauma crisis and challenges that are meant for evil can be used for our upgrade We could lose direction if we don't stop and realign Jesus is always calling the Church to realign to its purpose to shine the light into the world Many think that if they stop and reset the world will stop spinning No it won't The coronavirus and racism and pandemic have slowed down the world Recalibrating is inevitable when navigating a time like this She spiced every chapter of this book with her testimonies of how she was recalibrating during tough moments

Practical Prophetic Prayer Praise AYUKETA MOSES, 2014-03-18 RESTORATION COMMAND Do not

close your mouth and watch the devil destroy your life A CLOSED MOUTH IS A CLOSED DESTINY *Contemporary Pentecostal Christianity* J. Kwabena Asamoah-Gyadu, 2013-01-11 Pentecostalism is the fastest growing stream of Christianity in the world The real evidence for the significance of Pentecostalism lies in the actual churches they have built and the numbers they attract In Africa Pentecostalism has virtually become the representative face of Christianity with even historic mission denominations pentecostalising their otherwise formal liturgical structures to survive This work interprets key theological and missiological themes in African Pentecostalism by using material from the live experiences of the movement itself An important source of primary material for instance is the popular books written by the leadership of contemporary Pentecostal churches and their media programs An example of this is that on account of its motivational hermeneutics the Eagle rather than the Dove has become the preferred symbol of the Holy Spirit in this nascent dynamic movement The interpretation of themes from contemporary African Pentecostalism in this book reveals much about how as a contemporary movement it is reshaping African Christian spirituality in the 21st century

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16

This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

58 Reasons why you should fast Bishop Joshua Simeon, The Book 58 Reasons Why You Should Fast is an in depth expose on the subject of fasting. It is a loaded material that will wake you up from slumber and inculcate in you the habit of regular prayer and fasting which will ultimately enhance your capacity to confront the forces of darkness and neutralize demonic arsenals. A lot of people, Christians alike, are living a defeatist life, a life contrary to what redemption provides, not necessarily because the enemy is so powerful but obviously because they are so powerless and this is so because they have not engaged in the all time proven spiritual ballistic missile fasting. The author has lucidly and exquisitely enumerated the purpose and potency of biblical fasting, different types of biblical fasting and how to deploy fasting for productive adventure in every sphere of life. This book is a spiritual masterpiece on spiritual warfare. Reading through it with an open mind, you are sure to be adequately equipped to win in the battles of life.
