 Unionism Hitoshi Suzuki, 2020-11-23 This book revisits the long contested negotiation between the Thatcher administration
 and Nissan for the latter's first green field plant in Europe From the very beginning the plant took Britain's EC EU
 membership and tariff free access to the single market as a token A considerable amount of aid including component supplies
 was provided to attract Japanese investment and to prevent its transfer to the continent The successful launch of Sunderland
 highlighted improved Anglo Japanese relations and put an end to the Japan EC EU trade conflict But the price was paid by
 Nissan's slump and fall and by trade unions in both countries failing to keep counterchecks on management Brexit and the
 fall of Carlos Ghosn were a double blow to Anglo Japanese relations which are in a state of drift and need redefinition

 Historical Dictionary of Burma (Myanmar) Donald M. Seekins, 2017-03-27 Burma Myanmar is a Southeast Asian

country that is emerging from crisis after more than a half century of hard line military rule and cultural diplomatic and economic isolation With the dissolution of its military regime the State Peace and Development Council in 2011 a formally civilian but military dominated constitutional government was inaugurated By 2012 Burma's president retired General Thein Sein had established a working relationship with Daw Aung San Suu Kyi the leader of the country's pro democracy movement since 1988 and after a 2012 by election she and members of her opposition party the National League for Democracy NLD entered the new Union Parliament as legislators However even with the election victory of Daw Suu Kyi and the NLD in the General Election of November 2015 Burma faces daunting challenges it is still one of the poorest countries in Southeast fissured by longstanding ethnic conflicts that have made a nationwide peace agreement elusive and its people's security and the environment are threatened by foreign economic exploitation Religious discord is also widely evident as Buddhist militants instigate violence against the country's religious minorities especially Muslims Today Burma's prospects are the most hopeful they have been for over half a century as the country takes steps along the road to a more open society and economy This edition of the Historical Dictionary of Burma Myanmar encompasses not only current developments but also Burma's over 1 500 years old recorded history and the most important features of its cultures ethnicity religions society and economy This is done through a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture

Historical Dictionary of Postwar Japan William D. Hoover, 2018-12-15 Japan is a mix of the old and the new traditional and modern and old fashion and innovative It has traveled the road to a modern destination without totally losing sight of its traditions and values Although some in Japan lament the passing of old ways Japan has held on to a reasonable amount of its traditions and values This is easier to find in its arts and crafts and its literature and films as well as in its social habits This book will introduce the broad sweep of people events and trends including the successes and failures of postwar Japan This second edition of Historical Dictionary of Postwar Japan contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Japan

The New Domestic Automakers in the United States and Canada A.J. Jacobs, 2015-12-16 Over the past forty years state provincial and local governments in the United States and Canada have provided foreign automakers with approximately 4 80 billion in incentives in order to lure light vehicles assembly plants to their areas This has included tax abatements infrastructure construction land giveaways job training programs and other subsidies As of early 2015 ten foreign vehicle makers operated 20 light vehicles in developed North America Despite the fact that all ten of these automakers have pursued a similar pattern first exporting vehicles into the United States and Canada before launching vehicle plants in developed North America each has followed its own specific historical development path and has created its

own unique growth trajectory This book provides a unique historical and qualitative review of these ten vehicle makers from their early beginnings to their export entry into the United States and or Canada through early 2015 In addition it chronicles the histories of more than a dozen former automakers and potential future foreign light motor vehicle assembly plants in the United States and Canada This includes the first foreign automaker to build its cars in the United States De Dion Bouton of France in July 1900 the early 20th Century endeavors of Fiat Mercedes and Rolls Royce and the present day hopes of Chinese and Indian automakers In the process the text also provides an assessment of the top competing states and sites for any future plants the possible incentives packages governments may offer to attract such facilities and an estimated incentive value for each automaker Overall the goal of this book is to expand the knowledge of policymakers at all tiers of government in the United States and Canada and to help them take a more holistic look at the pros and cons of attracting Automobile Manufacturing FDI It is hoped that this will enable them to make more informed decisions when pursuing a new foreign motor vehicle assembly plant Its findings should also prove informative to urban and regional planning political science sociology economics labor and international development scholars and students in North America and worldwide
