Honors Education and the Foundation of Fairness Graeme Harper, 2021-05-06 How can we support develop and maintain higher education programs that focus on high academic achievement while at the same time allowing equitable access to and progress in higher learning This volume focuses not only on a diverse population in higher education but on creating and supporting a population fundamentally created in and informed by fairness The nature of fairness and its many dimensions underpins the discussions here By focusing on equity the contributors to this book shine light on conditions and instances of inequity They explore questions of enrollment in honors programs and about advising honors students They discuss people with disabilities in honors programs and colleges and the general existence or non existence of civility They advocate for supporting a wide range of identities and goals collaboration and types and styles of pedagogy This book considers the role of honors education in enhancing the educational opportunities for all and presents a call to action to those who seek to do that

Dreams + Inspiration K.T.S.T. Kids Today Scholars TomorrowTM, 2022-06-22 Sharing heartfelt testimonies Dreams Inspiration explains how the Kids Today Scholars Tomorrow ministry at The World s Church of the Living God has changed young people s lives Written by the students themselves these stories describe the teenagers challenges their vision for the future finding their passions and how the word of God and their church family positively influenced them These first hand accounts deliver important lessons about God His blessings and grace and His role in everyones lives This compilation communicates messages about the importance of understanding and appreciating you are valuable and realizing all things are possible when you believe *The Strongest Heart* Saadia Faruqi, 2025-03-04 From beloved middle grade author Saadia Faruqi comes a poignant exploration of the impact of mental illness on families and the love and hope that it takes to begin telling a different tale Mo is used to his father s fits of rage When Abbu s moods shake the house Mo is safe inside his head with his cherished folktales The best way to respond is not to engage Apparently his mama knows that too which is why she took a job on the other side of the world leaving Mo alone with Abbu With Mama gone the two move to Texas to live with Mo s aunt and cousin Rayyan The two boys could not be more different Rayyan is achievement driven and factual Mo is a bad kid Still there is a lot to like about living in Texas Sundays at the mosque are better than he d expected And Rayyan and his aunt become a real family to Mo But even in a warm home and school where he begins to see a future for himself Mo knows that the monster within his father can break out and destroy their fragile peace at any moment Directory of Education

Associations , *Once There Were Green Fields* Randy Pease, 2014-08-08 It is August 1961 John Kennedy is president and America is about to lose its innocence On the west side of Evansville Indiana the Reitz High School Panthers football team practices in the heat of the day led by their fierce coach Earl Doggett who chomps on antacids never rewards for good behavior and enforces hellish punishment for mistakes Tony Reavis is an honor student and Eagle Scout who lives with his family in suburbia Ray Moon lives with his divorced mother and seven siblings in a tiny shotgun shack on Pigeon Creek Tony

is college bound Ray is destined for blue collar work The only trait they share is a passion for pummeling whoever is unlucky enough to line up across from them on the football field As the team works its way to becoming the only high school team in modern football history to play an entire season without allowing a point President Kennedy is deciding the fate of Tony and Ray as he sends sixteen thousand young men to South Vietnam Once There Were Green Fields is the tale of a history making Indiana high school football team during the early 1960s as they battle on the field and in the jungles of Vietnam all in the name of winning

Adolescents on Music Elizabeth Cassidy Parker, 2020 Many can attest to the importance of the self growth that occurs for young people through the arts and their accompanying communities of support understanding and caring Yet even professionals who work daily with adolescents and parents or guardians who raise adolescents sometimes have difficulty collectively articulating why musicking experiences are important for young people In *Adolescents on Music* author Elizabeth Cassidy Parker proves that this challenge stems from failing to ask adolescents to share their ideas richly and fully Accordingly Parker argues for deeper efforts to connect adolescent perspectives with established theories and philosophies in the social sciences and humanities Organized into three sections Who I Am My Social Self and Toward a Future Vision Parker seeks new and diverse perspectives from the young people sharing their voices and experiences in each chapter Chapters begin with a description from adolescents in their own words of the music they make the meanings they ascribe to their music making and contributions to their development The voices highlighted in these chapters come from adolescent solo musicians autonomous and vernacular players composers school and community music makers and listeners between the ages of 12-20 By familiarizing readers with the multiplicity of adolescent music making experiences and perspectives discussing relevant theories within and outside of music and music education that support adolescent musical and personal growth promoting adolescent health and well being and greater understanding of young people and providing a common language toward advocacy for adolescent music making *Adolescents on Music* serves as an invaluable resource for individual and group music teachers and practitioners parents of adolescents music mentors and music education students

Quiet Desperation Gerald W. Neal, 2008-04-22 With standardized testing and predetermined subgroups garnering the attention of educational leaders abused and neglected children have fallen deeper into the crevice of the system For years these children have been ignored save the obvious visible bruises or child initiated confessions Because researching children is difficult without parental consent it is nearly impossible to expose this problem with any level of legitimacy By combining research from scientific research and the humanities autobiographical flashbacks fuse with narratives that vividly detail the author's disturbing encounters with abused children as a school administrator The effect is the realization that public schools unknowingly feed on weaker children beneath the awning of accountability
