Wellgood, 2019-04-25 What if we loved ourselves more than we could imagine We are told to love ourselves but we don't know how or even why What if we learned actual techniques that helped us love ourselves and align our energy with our Higher Self and the Universe for a more joyous life It's possible and it just takes willingness and practice When we learn and use real tools we are better able to surf the waves of life and meet life with grace When we learn how we are resisting loving ourselves and learn how to allow the love we are to flow through us we utilize the buoyant loving energy of the Universe to flow more smoothly and joyously through life Everything is energy including us When our energy is in balance and flows smoothly we feel harmonious peaceful and aligned with our true nature our Higher Self part of the Universe This is our natural state Daily life often seems to interrupt our connection with our true state of being By working with our energy and metaphysical principles we can remember who we really are we realign with our true self which is pure Love and experience the ease peace and joy that results Metaphysics is about using the energy we are beyond our body in a practical way while we are in this body By understanding that we are both human and Divine and having compassion for how challenging it is to live in this world we begin to understand Love the most powerful force in the Universe This is not mysterious this is very real and very available to each of us The keys to healing are Love and Willingness The keys are yours for the taking **Walk with Me** Mark Lynch, 2012-06-30 Walk with Me is an autobiography of author Mark Lynch's life filled with many of his extraordinary experiences struggles tragedies and blessings Mark is no stranger to death and he reveals what happened in

two near death experiences and his visit to paradise in the afterlife Mark shares intimately of his confrontation with God and how this confrontation sparked a personal relationship with the Lord that not only changed Marks life but also the lives of his family friends and acquaintances This book offers hope for those facing their own heartaches The reality of life is but a fading illusion Every second of every day brings us closer to our death The circumstances and people that enter our lives shape and mold us into who we are to become There is a reason you are alive here on Earth We are all not here by accident There is also more to coincidences than you may realize Whether you choose to believe it or not you are here for a purpose There is a reason for everything that happens in life even when things do not seem to make sense Walk with me and I will touch your emotions as I reveal my inner self and take you through my life My life is of an ordinary man who has survived despite extraordinary circumstances There is life beyond death as I have been there twice So let me show you the truth Walk with me as I reveal the keys to a world you may never have known existed Let me you show the truth reveal the lies and expose the myths
