blueberry chipotle **Does This Taste Funny?** Stephen Colbert, Evie McGee Colbert, 2024-09-17 Stephen and Evie Colbert invite you to pull up a chair as they share their favorite recipes from family and friends and offer a glimpse of food and fun in their South Carolina home. Hopefully reading this book and cooking these recipes will feel like hanging out with us at home. We basically live in the kitchen anyway. Evie and Stephen Colbert. As Evie and Stephen explain it, *Does This Taste Funny* had its beginnings in the Covid lockdown. We were all stuck together and couldn't go out, so we cooked. We had all three kids back under one roof for the first time in a long time, and we had dinner each night as a family. Cooking together became a major source of entertainment. Now the Colberts invite us into their kitchen and around their dining room table. Sharing Stephen and Evie's favorite recipes as well as those of their family and friends, this book offers everything from Party Food called party food because appetizers implies something to follow when we all know that often this is the only course to Seafood to Poultry and Meat. Evie and I have different relationships to meat. I like it. Evie can take it or leave it, and mostly she leaves it to Desserts. This is one of the largest sections of the book. Evie always reminds me that desserts are a great way to postpone clearing up to Drinks. I love cocktail hour. It feels like a reward for having gone so long without a cocktail, all tied together with playful dialogue between Stephen and Evie and gorgeous shots of their food, family, and home.
