In this book we give you Octavius Winslow's consideration of Romans chapter 8. No Condemnation in Christ Jesus. Romans the letter written by the apostle Paul is an outline of the Gospel of Jesus Christ in its purest form. Paul was writing to Christians living in a city that was the centre of the world in those days. It was the seat of government, culture and power. The Church to which Paul wrote had never met the apostle, but there can be no doubt they had heard of him and knew of his importance in teaching the Christians of the day. They were young in their faith and needed Paul's teaching to build them up, educate them and give them a message from God to help them in their trying circumstances of living and worshipping in Rome. This extensive consideration of Romans 8 we are treated to the a depth of insight rarely encountered. This chapter of the Bible is often quoted by Christians all over the world and it is a chapter of both challenge and encouragement. This book is an exposition displaying the many jewels of this portion of God's Word. Octavius Winslow 1st August 1808 5 March 1878. The Pilgrim's Companion was a renowned evangelical preacher in the 19th century. His influence was felt on both sides of the Atlantic Ocean. He was a contemporary of both Ryle and Spurgeon and spent most of his calling in the Baptist Church before turning to the Church of England for the last few years of his life. important aspect of the process When we confess our sins we are agreeing with God about our need for forgiveness and cleansing God is faithful and just to forgive us when we confess our sins 1Jo 1 9 Receiving God s Grace Salvation is a gift of God s grace We cannot earn it through our efforts or good works It is by God s grace that we are saved through faith Eph 2 8 9 New Life in Christ Once we accept our sinful condition repent place our faith in Christ and receive God s forgiveness we are born again as children of God This new birth transforms us and the Holy Spirit comes to dwell within us empowering us to live a life that is pleasing to God Accepting our sinful condition is the starting point of a journey toward becoming a child of God It s an acknowledgment of our need for a Savior and a recognition of God s abundant love and grace that provides the way for us to be reconciled to Him

Thomas Aquinas's Quodlibetal Questions Saint Thomas (Aquinas),2020 Thomas Aquinas was one of the most significant Christian thinkers of the middle ages and ranks among the greatest philosophers and theologians of all time In the mid thirteenth century as a teacher at the University of Paris Aquinas presided over public university wide debates on questions that could be put forward by anyone about anything The Quodlibetal Questions are Aquinas s edited records of these debates Unlike his other disputed questions which are limited to a few specific topics such as evil or divine power Aquinas s Quodlibetal Questions contain his treatment of hundreds of questions on a wide range of topics from ethics metaphysics philosophy of mind and philosophy of religion to dogmatic theology sacramental theology moral theology eschatology and much more And unlike his other disputed questions none of the questions treated in his Quodlibetal Questions were of Aquinas s own choosing they were all posed for him to answer by those who attended the public debates As such this volume provides a window onto the concerns of students teachers and other interested parties in and around the university at that time For the same reason it contains some of Aquinas s fullest and in certain cases his only treatments of philosophical and theological questions that have maintained their interest throughout the centuries
