Глубинная дневная практика осознанных сновидений** Эндрю Холечек, 2022-07-06 PDF A4 *Quest for Spiritual Self-Reliance* Digital Edition, 2015-04-27 Martin Esten's *Quest for Spiritual Self-Reliance* focuses on what the author calls the ongoing movement of meditation Martin presents probing insights into issues such as meditation love relationships spirituality and the nature of thought He shows that paradoxically all of our problems in life are created by thinking and identification with what he has termed the little me The path to true and enduring freedom is shown to be a counter intuitive process that can only be understood by setting aside one's analytical mind and ego and by simply being aware of one's self you start to see the mechanics of things and by seeing the mechanics of things you will become non mechanical and to be non mechanical is to be finally free This book is meant to be a journey that the reader can take with the writer and perhaps along the way the reader will find out who he or she really is beyond all

*Stepping Out of Self-Deception* Rodney Smith, 2010-07-13 A prominent Insight Meditation teacher presents the Buddhist concept of no self in an easy to understand way that will radically change your perspective on life Anatta is the Buddhist teaching on the nonexistence of a permanent independent self It s a notoriously puzzling and elusive concept usually leading to such questions as If I don t have a self who s reading this sentence It s not that there s no self there says Rodney Smith It s just that the self that is reading this sentence is a configuration of elements that at one time did not exist and which at some point in the future will disperse Even in its present existence it s more a temporary arrangement of components rather than something solid Anatta is a truth the Buddha considered to be absolutely essential to his teaching Smith shows that understanding this truth can change the way you relate to the world and that the perspective of selflessness is critically important for anyone involved in spiritual practice Seeing it can be the key to getting past the idea that spirituality has something to do with self improvement and to accessing the joy of deep insight into reality
