Windows From Heaven Yes I Believe:

Windows from Heaven Matthew Seuffer, 2014-11-19 Who could have known an afternoon walk around the block would eventually have such a profound impact on people around this world Acts 2 17 says In the last days God says I will pour my spirit out on all people Your daughters will prophesy your young men will see visions your old men will dream dreams It is all true We are being shown His constant heart to reach His people through this remarkable photography But we have this treasure in earthen vessels that the greatness of the power would be from God and not from us 2 Corinthians 4 7 Aramaic Bible in plain English I have been an amateur photographer most of my life the beauty in the world captures me I had always been told my photographs were wonderful and I knew I had a talent Several years ago my photographs began to change suddenly they no longer represented my skill they began to reflect the Creator behind the beauty How blessed we are that God only needs an open heart He reached out and touched me He drew me into a remarkable journey to touch others for Him I have spent the past several years on this very important and unique project How could I have known that a walk around the block with my camera would find its way to so many people around the world that a snapshot from my lens would speak to hearts for God How could I know how this path would change me I am a proud native of Williamstown West Virginia a small town along the Ohio River I enjoy the simple things in life and making a positive difference to those along my path I now reside in Columbia South Carolina Upper Room Bulletin Upper Room Bible Class (Ann Arbor, Mich.), 1924 The Sailor's Magazine ,1861 The Gospel Message ,1924 **From My Window** Melissa Hendrickx, 2003-10 The poems in this book were written by Melissa between the ages of 13 and 16 and convey nearly every teenage emotion Although there is often a feeling of hopelessness there is an even stronger sense of determination and the willpower to overcome all that life presents Some of these poems will cause the reader to reflect on past decisions some will lead the reader to a greater understanding of adolescence and others will leave the reader with a sense of promise for a better tomorrow **The Wind from Heaven's Window** Pat Mitchell, 2013-11 This collection is a combination of romantic philosophic mystical and spiritual poetry written to warm even the coldest of hearts They come from a very inspired place that speaks of a great desire to understand ourselves The elusive butterfly in all of us that out of its innate curiosity to learn and experience things by necessity transforms itself They also speak of the unique place that we all share in the divine tapestry we call life and how we are all intimately connected The poems reflect on the betrayal and hypocrisy that we all inevitably encounter on our journey through life Most importantly a message of hope and joy runs through them so that we are always reminded that even in our darkest moments the light of truth and love has never abandoned us The book also shares some of the stories that inspired and motivated some of the poems They run the gamut from gut wrenching tearjerkers to deeply impassioned pleas for universal kindness to the whimsical frolic of a playful little child Included is a section titled Musings on Life These are philosophic perspectives intended to be life lessons for the reader It s been said that not all men are masters but all masters

have been men Along that same line of thinking the author feels that although not all philosophers are poets all poets are philosophers

The Reason We're Waiting Pat Clor,2010-06-04 Satika Azmodious has answered the world s spiritual crisis with his famous text The Science of God In her isolated effort to heal the effects of his attack on her before his fame Aris Desiderita drafted another solution to the crisis which inspired a movement and conspiracy in the nation of Pangaea Pat

Clor weaves an ambient journey through Azmodious's social politics and the conflict he has with those proclaiming freewill and individual rights. As Azmodious prepares to face his rival Eugenius Irkson leading the conspiracy that blames him for the spiritual crisis, Azmodious is left with no alternative but to answer Irkson's claim and confront Desiderita. She is his last obstacle before claiming his prize as it will be her pardon that will grant his success at being the world's most celebrated spiritual representative and ultimately destroying him.

Gutenberg! the Musical! Anthony King, Scott Brown, 2010-11-12 In this two-man musical spoof, a pair of aspiring playwrights perform a backstage audition for their new ill-advised project: a big splashy musical about printing press inventor Johann Gutenberg. With an unending supply of enthusiasm, Bud and Doug sing all the songs and play all the parts in their crass historical epic with the hope that one of the producers in attendance will give them that elusive Broadway contract.
