Power Portals Study Guide Joshua Mills, 2020-11-24 Become a Conduit of God's Power. I encourage you to read Joshua's book not only to learn about the glory but also to be changed by the glory. Bill Johnson. This book is boot camp for the next and greatest move of God's Spirit in history. Sid Roth. All Christians are intended to live, move and operate in the supernatural realm. But many people aren't sure how to enter into this realm or how to go deeper in the Spirit. Joshua Mills explains that much more than sensing what God is doing we can participate in the supernatural on a daily basis through divine portals or gates. In this study guide companion to his book Power Portals Joshua clearly shows believers how they can become conduits of God's power. Within a power portal we may experience a sudden realization of God's presence, an abundance of healing, spontaneous joy, signs and wonders, angelic activity, an increase in spiritual dreams and visions or extravagant provision. Some portals can be activated in our own bodies through the heart, mouth, eyes and ears, mind, innermost being, hands and feet. There are also direct heavenly portals and geographical portals, special places where we can experience the release of God's power. The Power Portals Study Guide which can be used by either individuals or groups contains some brand new material to further your understanding of these gateways to the Spirit realm. The guide is also filled with key points from the book, thought questions, review questions and supernatural activations. Get ready to awaken your connection to the Spirit realm. Get ready to encounter Power Portals. Joshua Mills has taken deep spiritual revelation and translated it into language that any reader can understand and apply to daily life.
