Entrepreneurship Larry Winget,2023-12-14 Larry Winget is NOT against starting your own business or becoming an entrepreneur He is against doing it the wrong way with no plan little preparation and only your passion to rely on In this new book from successful entrepreneur and New York Times bestselling author Larry Winget you ll learn the TRUTH about what you really need to know before you go into business so you can stay in business Forget passion motivation loving what you do etc Those things matter but only a little What really matters is finding a problem and solving it serving your customer better than the competition knowing how to sell and managing your time resources and employees According to Larry Winget there are scores of so called experts on entrepreneurship out there who have never run a successful business themselves and yet they are peddling endless motivational cliché s about how YOU can be successful Cliches like Just find a business you love and the money will follow Become an entrepreneur because of the freedom it gives you Become an entrepreneur so you can change the world Believe it and you can achieve it Teamwork is the key to making your business a success For entrepreneurs to win in the social media world they need to get clicks and make bold even shocking claims and so much more Larry has another word for these clichés LIES And if you are thinking of starting your own business and you have bought into any of these lies Larry implores you to keep your day job so you don t lose your shirt You will not only be asked the tough questions in this book you ll get the answers Questions like Is your business necessary What problem does it solve What need does it fill What pain does it alleviate What tangible benefit will the customer receive What should I charge What gives you the right to be in business Learn how to Hire and fire Manage employees according to the core values of honesty integrity and more Serve your customer the way they want to be served Sell no skill is more important Create value in the mind of the customer Circle the Wagons and defend yourself and your business when it all goes to Hell This tell it like it is tour de force in business preparation and business survival is the toolkit you need before you quit your day job and start your journey to true

entrepreneurial success *Quitting, Not an Option* Gladys Cooper Goveia, 2015-09-10 If you want to discover who you are who you are meant to be and who God has called you to be you cannot quit In life you will face opposition but in the face of opposition quitting is not an option Do not quit God has a plan for your life You are valuable to Him and to those He has placed around you He loves you and He wants you to succeed and win in life If you quit you will never see the end of a matter When you quit you stop developing you stop going forward you stagnate You stay the same year after year If you quit you will not reach your full potential You will not reach your destination if you quit You will not see what you could have or should have been In quitting you not only forfeit your God given potential you forfeit your opportunity to impact the lives of others If you want to have an impact you cannot give up If you want to go where no one has ever been and do what others have not done you cannot quit **Writers and Miners** David C. Duke, 2021-10-21 Coal miners evoke admiration and sympathy from the public and writers some seeking a muse others a cause traditionally champion them David C Duke explores more than one hundred years of this tradition in literature poetry drama and film Duke argues that as most writers spoke about rather than to the mining community miners became stock characters in an industrial morality play robbed of individuality or humanity He discusses activist writers such as John Reed Theodore Dreiser and Denise Giardina who assisted striking workers and looks at the writing of miners themselves He examines portrayals of miners from *The Trail of the Lonesome Pine* to *Matewan* and *The Kentucky Cycle* The most comprehensive study on the subject to date *Writers and Miners* investigates the vexed political and creative relationship between activists and artists and those they seek to represent **You Need To Be a Little Crazy** Barry J. Moltz, 2008-12 This book debunks the myths of business start ups by telling the truth you have to be crazy to start a business Written by serial entrepreneur Barry Moltz the book delivers irreverent straight talk about the complex intersection of start up business financial health physical well being spiritual wholeness and family life This perspective is augmented with other personal tales from the entrepreneurial front The book offers tidbits of insight that will vaporize isolation encourage self reflection and refresh the spirit of anyone who has started a business or is thinking of starting one Publisher description *The Ride of Your Life* Mike Howerton, 2014-08-12 We can all remember the first time we learned to ride a bike That terrible thrill when we first realized Dad had let go of the seat and we were on our own That first crash and the skinned knees The life of a Christian is a lot like that We want to experience the freedom we re promised so we take a risk a leap of faith and sometimes we fall But just like Dad running alongside of us God is always there equipping us encouraging us and comforting us Through the powerful analogy of teaching his son to ride a bike Mike Howerton lays out five essential life lessons that will help readers recapture a childlike faith and embrace a passionate adventurous life full of possibilities and promise *You, the Most Amazing Person* Victor Guembes, 2015-12-06 How to live a positive and successful life Six different techniques to revamp your self esteem business and relationship to achieve your goals **Imperfect Control** Judith Viorst, 2014-10-21 In her remarkable national bestseller *Necessary Losses* Judith Viorst

explored how we are shaped by the various losses we experience throughout our lives Now in her wise and perceptive new book *Imperfect Control* she shows us how our sense of self and all our important relationships are colored by our struggles over control over wanting it and taking it loving it and fearing it and figuring out when the time has come to surrender it Writing with compassion acute psychological insight and a touch of her trademark humor Viorst invites us to contemplate the limits and possibilities of our control She shows us how our lives can be shaped by our actions and our choices She reminds us too that we sometimes should choose to let go And she encourages us to find our own best balance between power and surrender

Debunking the Top 9 Self-Help Myths Aaron A. Andrews, 2015-03-29 Debunking the Top 9 Self Help Myths Are you tired of traditional self help literature that always gives the same advice Would you like to learn why the total opposite of self help truths can actually work much better for you If so Debunking the Top 9 Self Help Myths is for you The book presents 9 self help myths and shows how the opposite advice can work better A large part of the book is based on scientific research that proves beyond doubt that some self help myths are indeed just dangerous myths Let s Put an End to Dangerous Self Help Myths Some self help myths are not only wrong they are outright harmful for you One of such myths is the myth of waking up early in order to achieve success and the myth that visualizing the goal will help you achieve it In fact scientists have proved that visualizing the goal will lead you further away from it And as for waking up early at least 20% of us will only feel miserable when following this advice Here are other things you ll learn from the book two types of procrastination and why one of them is great for you why procrastination can help you evaluate your life choices why procrastination can help you find a reason why why hard work is stupid the story of how ignorant farmers popularized the myth of working hard three reasons why cutting down your hours will do you good how to achieve more with less hint it s not about working hard why sometimes it s better to give up than keep going persistence doesn t always pay why a step by step approach isn t always the right choice and what to do instead the myth of getting rich slowly why there s no single recipe for success and why you shouldn t look for one the halo effect and its effect on our judgment of successful people what the Japanese streets can teach you about doing the opposite thing and still being right two types of perfectionism and why one of them can change your life why you don t need more discipline and what you need instead of discipline how long it really takes to develop a habit Would You Like to Achieve Success by Following the Unconventional Path By following the unconventional advice from the book you can achieve much better results than by following the traditional way of doing things Some of the most common self help tips can actually harm you instead of helping you Debunking the Top 9 Self Help Myths will help you avoid doing things that have been proven by the scientists to harm you instead of helping you You too can benefit from the self help literature but first you have to learn how to read them critically and this book will help you achieve this goal PS All readers will get access to a bonus chapter of the book that explains why productivity systems are useless Keywords procrastination procrastination cure procrastination self help wake up early waking up early early riser self help
