## **Wir Kinder Vom Bahnhof Zoo Christiane F:**

Connection of the Analysis of the Book "Christiane F. - Wir Kinder vom Bahnhof Zoo" and Social Work Theories Lea Gobel, 2022-09-01 Seminar paper from the year 2020 in the subject Social Work grade 1.0 University of Ljubljana Faculty of social work course Concepts of social work with young people language English abstract Christiane F. Wir Kinder vom Bahnhof Zoo is a non-fictional story about the real life of German Christiane Vera Felscherinow. Christiane is a girl who moved to Berlin with her family when she was a child. She spent many years of her childhood and teenage years in the 1970s capital of Germany where the drug scene was booming, especially at the train station Zoo. Really soon, Christiane started going out partying, doing drugs, and later got addicted to the drug heroin that she and her friends cooler called H. The book, which is analyzed throughout this paper, is telling the story of Christiane F. and her addiction to H. The book is written from her perspective in the first person, what is the reason for feeling connected quite well to her as a reader and being able to at least kind of imagine how her life through her own eyes must have looked like. In the book, her point of view is added with the opinions of some adults that were her companions of her life in Berlin. The book also brought up the topic of the general ignorance of heroin addiction in the publicity, how it was recognized at that time in Berlin and probably also in most of the other parts in the country. The society didn't feel attached or even responsible with the problem of drug abusing youngsters that in fact has already belonged totally to this community. Christiane F.'s story pictures the connection of an early heroin addiction, children alcoholism, the side effect of prostitution to get the money needed to buy the next fix, and drug criminality.

**Zoo Station** Christiane F., 2013-01-02 In 1978, Christiane F. testified against a man who had traded heroin for sex with teenage girls at Berlin's notorious Zoo Station. In the course of that trial, Christiane F. became connected with two journalists, and over time they helped to turn her story, which begins with a dysfunctional but otherwise fairly normal childhood, into an acclaimed bestseller. Christiane F.'s rapid descent into heroin abuse and prostitution is shocking, but the boredom, the longing for acceptance, the thrilling risks, and even the musical obsessions that fill out the rest of Christiane's existence will be familiar to every reader. Christiane F.'s Berlin is a strange and often terrifying place, but it's also a place that remains closer than we might think.

**From Hash Rebels to Urban Guerrillas** Roman Danyluk, Gabriel Kuhn, 2024-11-12 This book is not a nostalgic tribute to militants of a distant past but a source of inspiration for revolutionary politics in a time that needs them as much as ever In the early 1970s across the Americas and Western Europe armed groups emerged out of the social movements of the late 1960s In Germany the Red Army Faction received most attention but a less well known antiauthoritarian counterpart operated in its shadows the 2nd of June Movement named after the date when in 1967 a Berlin cop killed the unarmed student Benno Ohnesorg during a demonstration The group was composed of working class youth who got politicized in Berlin's underground culture They first emerged as a political collective under the name Hash Rebels before forming the 2nd of June Movement as a revolutionary organization After the group's dissolution in 1980 its principles lived on in the militant network of the Revolutionary Cells and the German autonomist movement From Hash Rebels to Urban Guerrillas the first book to present the 2nd of June Movement in English documents the group's history and politics through translations of original documents and reflections by former members This is mandatory reading for anyone interested in the politics of the era and the ongoing quest to challenge the rule of the state and capital
