Abdelkader Hameurlain, Rosine Cicchetti, Roland Traunmüller, 2003-08-02 th 2002 DEXA the 13 International Conference on
Database and Expert Systems Applications was held on September 2 6 2002 at the Universit Aix Marseille II France The
quickly growing field of information systems required the establishment of more specialized discussion platforms the DaWaK
conference EC Web conference eGOV conference and DEXA workshops and there were held in parallel with DEXA also in Aix
en Provence The resulting book was prepared with great effort Starting with the preparation of submitted papers the papers
went through the reviewing process The accepted papers were revised to final versions by their authors and arranged to the
conference program This year 241 papers were submitted and our thanks go to all who have contributed The program
committee and the supporting reviewers produced altogether about 730 referee reports on average three reports per paper
and selected 89 papers for presentation The papers presented here encompass the extensive domain of databases together
with the other conferences and workshops of the DEXA event cluster a vast part of applied computer science was covered In
this way DEXA has blazed the trail At this point we would like to acknowledge to all institutions which actively supported this
conference and made it possible These are IUT Universit Aix Marseille II FAW DEXA Association the Austrian Computer
