If You're in a Dogfight, Become a Cat! Leonard Sherman, 2017-01-10 Businesses often find themselves trapped in a competitive dogfight scratching and clawing for market share with products consumers view as largely undifferentiated Conventional wisdom suggests that dogfights are to be expected as marketplaces mature giving rise to the notion that there are bad industries where it is unlikely that any company can succeed But there are notable exceptions in which enlightened executives have changed the rules to grasp the holy grail of business long term profitable growth Rather than joining the dogfights raging within their industry companies such as Apple FedEx and Starbucks have chosen to become metaphorical cats continuously renewing their distinctive strategies to compete on their own terms In *If You're in a Dogfight, Become a Cat* Leonard Sherman draws on four decades of experience in management consulting venture capital and teaching business strategy at Columbia Business School to share practical advice on two of the most vexing issues facing business executives why is it so hard to achieve long term profitable growth and what can companies do to break away from the pack Sherman takes the reader on a provocative journey through the building blocks of business strategy by challenging conventional wisdom on a number of questions that will redefine management best practices What should be the overarching purpose of your business Do you really know what your strategy is Is there such a thing as a bad industry Where do great ideas come from and how do I find them What makes products meaningfully different What makes and breaks great brands How and when should I disrupt my own company What are the imperatives to achieving long term profitable growth Filled with dozens of illustrative examples of inspiring successes and dispiriting falls from grace this book provides deep insights on how to become the cat in a dogfight whether you are a CEO mid level manager aspiring business school student or curious observer interested in achieving sustained profitable growth

history of one of the world's greatest military commanders At the age of 20 Alexander the Great inherited the near bankrupt kingdom of Macedonia and its small but revolutionary army built around an unbreakable infantry phalanx and a shock cavalry force In just ten years he led this army on a march of conquest across most of the known world Greece Asia Minor the Near East Egypt the lands of the Fertile Crescent and on into what we now know as Afghanistan Pakistan and India Undeclared in battle in his short life he immeasurably changed the course of history Theodore Ayrault Dodge's account of the campaigns was first published in 1890 as part of his Great Captains series The author an experienced military officer and historian follows the entire career of Alexander the Great reconstructs his army his strategy and all of his battles and explains his lasting impact on the art of war The result is a classic military history and biography This ebook edition includes an active table of contents reflowable text and over 200 campaign maps battle diagrams and illustrations **Redemption**

Denied Dave (-Ret.) Sheskin,2012-06 This is a fact based captivating narrative about the life of a Mossad operative whose destiny has been decided for him through extraordinary circumstances His world of subterfuge and deceit kept him from experiencing love and his motive for living was revenge David Parker searched for adventure in life but instead he discovered that profound hatred ruled and it became a threat to his very existence As a young Christian from Seattle he knew nothing about the Jews and Israel's fight for survival but after he converted to Judaism he found himself battling an evil entity so malevolent and dedicated to the destruction of the young Jewish state that he threw himself into his work in an endeavor to annihilate the enemy first His mission as an assassin for the illustrious Mossad became his obsession and in the end he became a shell of his former self A global consensus was that Radical Islam and their methods of terror had to be defeated for a free world to exist This young man's dedication to that precise cause destroyed whatever sense of decency he had and what could have been a promising life became a life of torment and regret **Disturbance** Jan Burke,2012-05-29
