Christine Fair, 2018-12-15 This path breaking volume reveals a little known aspect of how Lashkar e Tayyaba a jihadist terrorist group functions in Pakistan and beyond by translating and commenting upon a range of publications produced and disseminated by Dar ul Andulus the publishing wing of LeT Only a fraction of LeT s cadres ever see battle most of them are despatched on nation wide prozelytising dawa missions to convert Pakistanis to their particular interpretation of Islam in support of which LeT has developed a sophisticated propagandist literature This canon of Islamist texts is the most popular and potent weapon in LeT s arsenal and its scrutiny affords insights into how and who the group recruits LeT s justification for jihad its vision of itself in global and regional politics the enemies LeT identifies and the allies it cultivates and how and where it conducts its operations Particular attention is paid to the role that LeT assigns to women by examining those writings which heap extravagant praise upon the mothers of aspirant jihadis who bless their operations and martyrdom It is only by understanding LeT s domestic functions as set out in these texts that one can begin to appreciate why Pakistan so fiercely supports it despite mounting international pressure to disband the group Counter-Insurgency in Nigeria Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military s internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how

organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general
