## **Sa Military Application Forms 2015:**

Suid-Afrikaanse Hofverslae, 2015 *South Africa and United Nations Peacekeeping Offensive Operations* Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges *Sociology in South Africa* R. Sooryamoorthy, 2016-08-13 This book is the first comprehensive account of the history and current state of South African sociology Providing a holistic picture of the subject both as it is taught in universities and as a field of research it reveals the trajectories of a discipline in a challenging socio political context With the support of historical and scientometric data it demonstrates how the changing political situation from colonialism to apartheid to democracy has influenced the nature direction and foci of sociological research in the country The author shows how during the apartheid era sociology was professionally fragmented and divided along language and race lines It was however able to flourish with the advent of democracy in 1994 and has become a unique academic movement This insightful work will appeal to students and scholars of the social sciences and all those interested in the history and society of South Africa **Territoriality of Radical Islamist Groups** Bohumil Doboš, Martin Riegl, Jakub Landovský, 2021-05-04 This book examines the issue of territorial control by violent jihadist groups using a comparative perspective The book argues that in many parts of the world the connection between a state and the control over territory is not as close as presented by conventional political maps and therefore it is necessary to analyse the territoriality of non state actors as well Based on a variety of case studies the work looks at different levels of connection between the violent Islamist groups and territory dividing them into non territorial semi territorial and territorial groups While the majority of the cases are located in the Middle East Islamic State Al Qaeda Al Qaeda at the Arabian Peninsula Ha yat Tahrir al Sham Hamas and Hezbollah the book also draws cases from Africa groups in the western

Sahel Al Shabaab and Boko Haram South Asia Taliban and East Asia Abu Sayyaf By providing in depth understanding of their respective approaches to territory the book identifies the specifics of each group s territoriality while also drawing more general conclusions This book will be of much interest to students of terrorism and political violence radical Islam Middle Eastern studies and International Relations in general **Policing and Boundaries in a Violent Society** Guy Lamb,2022-01-31 This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service SAPS By means of a historical analysis of South Africa this book introduces a new concept police frontierism which illuminates the nature of the relationships between the police policing and boundaries and can potentially be used for future case study research Drawing on a wealth of research this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary Focusing on cases of high density police operations public order policing and the recent policing of the COVID 19 lockdown this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa This book will be of interest to scholars and students interested in policing in post colonial societies characterised by high levels of violence as well as police work and police militarization **Artificial Intelligence and Global Security** Yvonne R. Masakowski,2020-07-15 Artificial Intelligence and Global Security Future Trends Threats and Considerations brings a much needed perspective on the impact of the integration of Artificial Intelligence AI technologies in military affairs Experts forecast that AI will shape future military operations in ways that will revolutionize warfare **Handbook of Research on Recent Developments in Intelligent Communication Application** Bhattacharyya, Siddhartha,Das, Nibaran,Bhattacharjee, Debotosh,Mukherjee, Anirban,2016-12-12 The communication field is evolving rapidly in order to keep up with society s demands As such it becomes imperative to research and report recent advancements in computational intelligence as it applies to communication networks The Handbook of Research on Recent Developments in Intelligent Communication Application is a pivotal reference source for the latest developments on emerging data communication applications Featuring extensive coverage across a range of relevant perspectives and topics such as satellite communication cognitive radio networks and wireless sensor networks this book is ideally designed for engineers professionals practitioners upper level students and academics seeking current information on emerging communication networking trends **Mobile Networks and Management** Jiankun Hu,Ibrahim Khalil,Zahir Tari,Sheng Wen,2018-05-08 This book constitutes the refereed post conference proceedings of the 9th International Conference on Mobile Networks and Management MONAMI 2017 held in Melbourne Australia in December 2017 The 30 revised full papers were carefully reviewed and selected from 43 submissions The papers handle topics in the area of mobile computing wireless networking and management **Congressional Record** United States. **Yearbook of International Humanitarian Law, Volume 20, 2017** Terry D. Gill, Tim McCormack, Robin Geiß, Heike Krieger, Christophe Paulussen, 2018-12-20 The main theme of this volume of the Yearbook of International Humanitarian Law is the development and interpretation of international humanitarian law (IHL). It is elaborated upon in several chapters that examine the role of non-state armed groups in the development and interpretation of IHL, the impact of international criminal law on the development of IHL, the notion of external non-international armed conflicts and the regulation of prolonged occupation under international law. The second theme of this volume is dedicated to targeting in armed conflicts. Specific topics include precautions in attack in urban and siege warfare, the targeting of the Islamic State's religious personnel in Iraq and Syria and the targeting of illicit crops through aerial spraying in Colombia. Besides the chapters that address both themes, this volume also contains a Year in Review describing the most important events and legal developments that took place in 2017. The Yearbook of International Humanitarian Law is the world's only annual publication devoted to the study of the laws governing armed conflict. It provides a truly international forum for high-quality peer-reviewed academic articles focusing on this crucial branch of international law. Distinguished by contemporary relevance, the Yearbook of International Humanitarian Law bridges the gap between theory and practice and serves as a useful reference tool for scholars, practitioners, military personnel, civil servants, diplomats, human rights workers and students.

**Crises in Authoritarian Regimes** Jörg Baberowski, Martin Wagner, 2022-01-19 Krisen offenbaren die Fragilität der Ordnung und fordern die Macht heraus. Wie gehen autoritäre Regime mit ihnen um? Welche Stärken und Schwächen zeigen sie in der Krisenbewältigung, verglichen mit demokratischen Ordnungen? Wie lässt sich ihre Anpassungsfähigkeit und Persistenz erklären? Die Beiträge dieses Bandes verbinden die Sichtweisen von Politikwissenschaft, Geschichte, Literaturwissenschaft, Soziologie und Regionalwissenschaften auf gegenwärtige und untergegangene Regime in Afrika, Ost- und Zentralasien, Ost- und Westeuropa und Lateinamerika. Die Fallstudien beleuchten die Verdichtung autoritärer Herrschaft in der Krise, die meist zwei konträre Ziele verfolgt: die Stabilität zu erhalten und die eigene Herrschaft zu erneuern.
