

SOUTH AFRICAN MILITARY HEALTH SERVICES

BACKGROUND

The Department of Defence is proud to offer this opportunity to the South African youth with the main purposes of promoting and enhancing the concept of Nation building. We are also serving National interest by encouraging our youth to develop a common South African identity through exposure to military norms and customs. The emphasis will mainly be on discipline development, empowerment and global competitiveness. The SA Military Health Services is offering young South African citizens an excellent opportunity to serve in uniform over a 2 year period. These training and development opportunities will be constituted by means of a voluntary Military Skills Development System (MSDS) period of two years in order to equip young South Africans with market related skills.

GENERAL TRAINING

Potential Applicants may apply for the following two year training opportunities:

- **Animal Health General Training (Dog handlers and Veterinary Orderlies)** – Animal Health perform basic animal care, their primary duties include assisting with surgical procedures, dressing wounds and collecting specimens. The SAMHS is also responsible for the training of the SANDF Dog Handlers and recruits can be trained in this field. Graduates, Learners that completed Grade 12 or learners still busy with Grade 12 may apply.
- **Chemical Biological Radiation Defence (CBRD)** – This mustering involves activities and actions to defend against Chemical Biological Radiation weapons. This includes protection, detection and decontamination.
- **Physical Training Instructors (PTSI)** – This mustering is responsible for maintaining the fitness levels required for all uniform members. PTSI training takes place at the Joint Physical Training Sport and Recreation School in Pretoria. The duration of this learning opportunity is approximately 3 months. Applicants must be proficient in English.
- **Patient Administration** – This mustering is responsible for the administration of patients including reception personnel, account administration, maintenance of patient files and capturing of patient records electronically. Computer literacy, good communication and interpersonal skills are essential.

STUDY OPPORTUNITIES

Subsequent to the reporting of successful Applicants for military training, recruits can then be considered for the under mentioned developmental opportunities and tertiary training and will be selected for the said opportunities during the two year Military Skills Development System (MSDS) training. PLEASE NOTE that training in any of these fields cannot be guaranteed and will be subject to availability and further selection criteria.

- **PHARMACY ASSISTANT** – The pharmacy assistant training program is designed to provide broad knowledge of pharmacy practice with the aim of assisting in the performance of daily repetitive tasks and provide support to the pharmacist in the practice of a pharmacy.
