, SYNODICON ORIENTALE OU RECUEIL DE SYNODES NESTORIENS PUBLIE NESTORIANS.,1902 **La**
Production Du Corps Maurice Godelier, Michel Panoff, 2022-02-14 Dans quelle mesure le corps fait-il l'identité d'un être humain Et pour combien de temps si quelque chose survit de lui après sa mort ce n'est pas tout fait son corps Dans toutes les cultures il semble que l'humanité sous des formes diverses ait tenté d'imaginer l'être humain comme composé de deux parties une partie périssable et une partie qui continue d'agir bien au-delà de la mort même si elle n'est pas immortelle Ces deux parties ne se réduisent pas nécessairement un corps visible et un animal double invisible mais qui meurt quand l'autre meurt Chez les Maenche de Nouville Guin est l'individu à deux mesures même si elle n'a qu'un seul corps De nombreuses sociétés pensent qu'il faut plus de deux êtres humains pour faire un être humain Il faut que l'esprit d'un être ou l'action d'un dieu vienne sinon animer ce corps du moins le rendre complet le compléter Chaque personne n'est donc pas tant inscrite en soi formant comme une sorte d'intimité impersonnelle un ensemble d'idées d'images de valeurs par lesquelles l'ordre ou les désordres qui s'impriment dans son corps régnent dans sa société Seize anthropologues et historiens ont exploré ces réalités culturelles dispersées dans l'espace et le temps **Les Fins Dernières Selon Origène** Henri Crouzel, 2024-10-28 This volume is concerned with the eschatology of Origen the great 3rd century theologian and philosopher of Alexandria Of all the doctrines attributed to him those on the resurrection of man and the end of days have evoked the most opposition and controversy from Antiquity to the Patristic scholarship of today Professor Crouzel argues that the thought of Origen himself has been consistently misunderstood and distorted from the time of Methodius of Olympia onwards and that renewed examination of Origen's own surviving writings can lead to a radically differing assessment of the orthodoxy of his views Among the particular points discussed are Origen's doctrine of Purgatory commonly supposed to be a particularity of the Latin Church and the relationship in his thought between the final purification at the end of time and the spiritual purification of existence here on earth Ce volume traite de l'eschatologie d'Origène le grand théologien et philosophe alexandrin du IIIe siècle De toutes les doctrines qui lui sont attribuées ce sont celles sur la résurrection de l'homme et à la fin des jours qui ont provoqué le plus d'opposition et de controverse de l'Antiquité jusqu'à notre époque Le Père Henri Crouzel maintient que la pensée véritable d'Origène est constamment mal interprétée et corrompue et ce dès l'époque de Méthode d'Olympe Selon l'auteur un nouvel examen des écrits d'Origène peut mener une appréciation totalement différente de l'orthodoxie du théologien Parmi les points spécifiques débattus sont la doctrine d'Origène sur la purgatoire communément supposée être un domaine latin et sur le rapport dans ses pensées entre l'ultime purification à la fin des temps et celle d'ordre spirituel de l'existence ici-bas sur terre **From Logos to Christos** Ellen M. Leonard, Kate Merriman, 2011-06-27 From Logos to Christos is a collection of essays in Christology written by friends and colleagues in memory of Joanne McWilliam McWilliam was a pioneer woman in the academic study of theology specializing in Patristic studies and internationally recognized for her work on Augustine For countless students she

was a teacher a mentor an inspiration These fourteen essays are a fitting tribute to her memory Written by recognized North American scholars the essays explore various aspects of Christology inviting the reader to probe the meaning and significance of Jesus Christ for today They address a broad range of issues including the Christology of the Acts of Thomas Hooker on divinization and Christ figures in contemporary Canadian culture Teachers of theology and religious studies pastors and informed general readers will find the essays stimulating and instructive They present the readers with considered mature and current scholarship These are the questions that engaged Joanne McWilliam throughout her life and she was happy to know that the critical dialogue would continue in this volume as friends and colleagues wrestled with Christological questions For her In Jesus we come to know the compassion the power the wisdom the love and the faithfulness of God **Poetry, Bible and Theology from Late Antiquity to the Middle Ages** Michele Cutino, 2020-07-06

This volume examines for the first time the most important methodological issues concerning Christian poetry i e biblical and theological poetry in classical meters from a diachronic perspective Thus it is possible to evaluate the doctrinal significance of these compositions and the role that they play in the development of Christian theological ideas and biblical exegesis
