Sabbath School Bible Study Guide 2013:

Our Wonderful Judge Allan Freed, 2019-05-14 It should go without saying that Christ is central to Christianity Most Christians know that He is the means by which God brings human beings back into fellowship with Himself They may also be aware that Christ is our substitute and surety our righteousness and our pattern and example for living What they may not know is that as the sinless second Adam Christ has become the new head of the human race and that in leaving this world He sent His Spirit to complete the adoption process for all who receive Him Gal 4 6 7 And what they also may not know is that Christ is also our Wonderful Judge which is encouraging news headed toward final judgment Allan Freed describes Christ's roles in human redemption how the biblical sanctuary foreshadowed the pathway of reconciliation to God and what the believer must do to cooperate with Jesus as He finishes His heavenly sanctuary ministry He warns about a perilous path promoted by a three part religious union that has declared Protestantism dead and he offers insight to get on and stay on the pathway that will take us home to God

Assault on the Remnant Ted Schultz, 2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority

highest importance of this tool **Pastoral Care and Counseling in Large/Mega Congregations** Jean Beedoe,2016-08-04 Church growth in metropolitan communities motivated a short study concerning the pastoral care and counseling of immigrants specifically Black Caribbean congregants in large mega congregations Culture denomination history and interpretations of scripture enter into the dynamics of defining not only the pastoral office of leaders but their perception of care The phenomenological cycle of care is said to exist as an exchange happens between caregivers and care receivers Such an exploration of three congregations opened up rare concepts of the psycho social and spiritual nature that guide interpersonal relationships of family systems across cultures Large mega congregations desire women s as well as men s style of nurturing and of fellowship that form the characteristics of a sharing caring congregation The study implicated a need for more comprehensive interdisciplinary teaching methods to train church leaders and clergy It signals for an approach in practical theology to develop curricula for spiritual health of cultural plurality in congregations and community

Leviticus: An Introduction and Study Guide Philip Peter Jenson,2021-07-15 In this guide Philip Peter Jenson provides an introduction to Leviticus examining its structure character and content In particular he focuses on explaining the basic concepts that inform the rituals and ethics of Leviticus This is especially the case for the pervasive and complex category of holiness along with its antithesis impurity Overall Jenson s emphasis is on the overarching coherence of the book and how it reached its present canonical form Leviticus is a difficult book for most readers describing rituals that are no longer practiced and reflecting a culture that is vastly different from that of the modern West Yet it is the central book of the first section of the Bible of both Jews and Christians and it is at the heart of the law revealed to Moses on Mount Sinai It includes the foundational texts on matters such as sacrifice or love for one s neighbour In this comprehensive introduction Jenson offers extensive analysis and concludes each chapter with reflections on the contemporary significance of the texts being discussed

The Gospel of Climate Skepticism Robin Globus Veldman,2019-10-22 Why are white evangelicals the most skeptical major religious group in America regarding climate change Previous scholarship has pointed to cognitive factors such as conservative politics anti science attitudes aversion to big government and theology Drawing on qualitative fieldwork The Gospel of Climate Skepticism reveals the extent to which climate skepticism and anti environmentalism have in fact become embedded in the social world of many conservative evangelicals Rejecting the common assumption that evangelicals skepticism is simply a side effect of political or theological conservatism the book further shows that between 2006 and 2015 leaders and pundits associated with the Christian Right widely promoted skepticism as the biblical position on climate change The Gospel of Climate Skepticism offers a compelling portrait of how during a critical period of recent history political and religious interests intersected to prevent evangelicals from offering a unified voice in support of legislative action to address climate change

The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or

appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadra Saint Ulysses an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Congregation 2013-2016 - Family Ministries MaryJane Pierce Norton, 2012-11 The family is the primary center of faith formation especially for children Our affirmation for families asserts that families of all sizes and configurations are communities of commitment whose goal is human growth and faith development Your job is to work with other leaders in the congregation to plan and implement ministry in order to fulfill the church's mission of helping all persons become disciples of Jesus Christ for the transformation of the world Also you address the needs of the families in your church and community so that all may grow in the Christian faith This Guideline is d

Does God Send Sickness? Troy J. Edwards, 2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the

lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar

Worldviews and Christian Education W. Shipton,2013-08-14 Christs instruction to his disciples was to witness to others about his plan of salvation This may be relatively easy when it involves our contemporaries and peers But when we are working with people from a different cultural background or belief system it can be difficult or seemingly impossible In Worldviews and Christian Education editors W A Shipton E Coetzee and R Takeuchi have brought together works by experts in cross cultural religious education The authors and editors have a wealth of personal experience in presenting the gospel to individuals with various worldviews that differ greatly from those held by Christians who take the Bible as authoritative They focus on the beliefs and issues associated with witnessing to seekers for truth coming from backgrounds as diverse as animism Buddhism Confucianism Hinduism Islam Marxism Taoism and postmodernism The emphasis is on educational settings but the sensitivities highlighted and lessons learned are applicable to situations outside this area Leaders pastors teachers and laypersons will find valuable conceptual models practical ideas and bibliographic references presented here Worldviews and Christian Education challenges all readers to be faithful to the biblical worldview and to approach everyone with sensitivity so that like the apostle Paul they may reach some
