Snow Days Make-up

In the event that an inclement weather day is required before the spring staff development day, student attendance will be made up on that day (March 20) and a teacher workday will be scheduled on the first weekday after the regularly scheduled last day of school (June 7). Should two (2) snow days occur, then the first make-up day will take place on March 20 (see above), the second make-up day on June 7 and the teacher work day on June 10. CED reimbursement will be available for any teachers who held any required parent conferences before or after school on or around the regularly scheduled parent conference day.
