Lamp Jr.,2021-07-27 Have you ever wondered Is this all there is to life and ministry with the Lord Why am I so tired all the time How can I grow in my intimacy with God in practical ways Am I so busy doing that I have forgotten how to be with God As ministry workers we too often face these questions because we too often expect a thriving personal relationship with God to be an outcome of our ministry Journey With Me illustrates that ministry is the result of the overflow of our relationship with God rather than vice versa Exploring over fifteen ancient spiritual graces such as Lectio Divina rule of life silence and solitude and prayer of Examen Herbert F Lamp Jr invites us to prioritize soul care rather than treating ministry as a replacement for intimacy In the process of knowing and being known God fills us up with his love joy peace and wisdom Only then can we minister to others balancing a heart for God with hands for service After almost four decades of missionary service Lamp has experienced the joys and potential pitfalls of serving Christ cross culturally Sharing his experiences and offering practical time tested methods to grow spiritually Lamp invites you to journey with Our Father intimately as you cross your cultural linguistic ethnic and geographic borders serving him wholeheartedly and passionately     *Ministering to Families in Crisis* Jennifer S. **Rediscovering the Spiritual Disciplines for Today's Ministry Leadership: A Journey of Proactive Spiritual Formation for Leaders** Dr. Steve A. Maglio, 2021-10-29 Military chaplains are highly trained professionals with multiple graduate degrees and varying civilian pastoral experience They enter the chaplaincy after a rigorous selection process and military courses which all must verify their calling to military ministry Throughout a chaplain's career he or she will attend many continuing education seminars civilian education graduate programs and conferences all provided by the military However chaplains are challenged with the rigorous multitasked environment of this ministry Multiple deployments into combat have negatively impacted the personal lives of those seeking to care for the souls of the soldier This book encourages the importance of spiritual resiliency in the lives of leaders both military and civilian Leaders who regularly practice spiritual disciplines will be less likely to suffer personal and professional failure or burnout Second the leader's practice of spiritual disciplines is essential to fostering positive modeling and mentoring for young chaplains and those wishing to serve Third practicing historic Christian spiritual disciplines will benefit those who strive to lead congregations and especially military installations in the free exercise of their faith

*Perspectives on Prayer and Spirituality* Maurice Elliott, Patrick McGlinchey, 2021-02-12 Spirituality has become a buzzword in our contemporary culture as individuals strive for meaning and fulfillment Its detachment from the church and conventional definitions of religious practice highlights the seeming redundancy of what has come before Spirituality in this light signals a new attempt to find wholeness unencumbered by outmoded doctrines and stale rituals It is the conviction of this publication that the intuition behind contemporary searches for spiritual reality is a good one It acknowledges that there must be more to life than what secular media or consumerism might tell us The joyful message of *Perspectives on Prayer and Spirituality* is that the spiritual quest is a valid one and worth exploring There is treasure to be found However the surprise is that we must rediscover what we have left behind In the words of G K Chesterton it is not that the Christian ideal has been tried and found wanting rather it has been found difficult and left untried This book offers us the tools to mine the riches of Christian spirituality and find that elusive treasure The title *Perspectives on Prayer and Spirituality* alerts us to the fact that life giving spirituality stems from relationship with a personal God who can be known

*Spirit-Filled Truth* Joshua Shaw, 2015-04-20 For many of Christians no matter how many church services we attend podcasts we listen to or conferences we sign up for we often feel a deep sense of emptiness or void in our relationships with Jesus Feelings of being orphaned by God divorced from His family and enslaved to our sins consume our hearts We do everything we can to try and fill our spiritual emptiness but nothing seems to change Despite our best efforts to apply what we are learning from our daily Bible readings and church s weekly sermons what we know in theory rarely becomes what we encounter on a day to day basis Because of this our relationships with Jesus are in desperate need of rejuvenation In John 16 13 Jesus says When the Spirit of Truth comes he will guide you into all truth Within this passage Jesus teaches his followers

that it is by the guiding work of the Holy Spirit that we will encounter the truths of God's Word that brings us life. The Spirit will be the active agent in guiding our hearts to God's loving truths for our lives. Therefore, Spirit-Filled Truth speaks to the longing many Christians have to encounter God's truths for themselves and how His presence alone can satisfy their deepest needs by means of Unveiling who the Spirit of Truth is and our need for His guidance in our lives. Illustrating how to walk in our identity as adopted children of God. Revealing how to actively be a part of God's family. Displaying how to be used as effective ambassadors for His Kingdom.

**Shrinking the Integrity Gap** Jeff Mattson, Terra A. Mattson, 2020-10-01 Every leader values integrity but far too few live it out. The founders of Living Wholehearted, Jeff and Terra Mattson, find that most high-capacity leaders have experienced childhood trauma and use leadership as a way to cope. In *Shrinking the Integrity Gap*, the Mattsons remind readers that integrity is a way of being and not a one-time event. Providing long-term solutions rooted in grace, they explore the following: The symptoms and systemic impact of the integrity gap; How a leader's unresolved story impacts their influence; Ways to overcome the loneliness and effects of leadership; Healthy leadership habits for wholehearted leadership; Integrating biblical truth, clinical research, relational wisdom, and real stories. *Shrinking the Integrity Gap* equips readers to become the kind of leader anyone would want to follow.

[Christ-Shaped Character](#) Helen Cepero, 2014-04-07 What are the pathways that lead us to God? In this book, Helen Cepero leads you through the journey beginning with three ways of love, then three ways of continuing in faith, and then lastly three ways of living in hope. These nine pathways will lead you into deeper life with Christ.

**My Neighbor, My Self** Elise Chase, 2021-12-08 Love your neighbor as yourself. Have you ever wondered what these words might mean for you in your own life? Elise Chase has. Lying on a rickety canvas cot night after night while volunteering in a church-sponsored emergency shelter, she had a lot of time to ask herself questions about Jesus's challenging command and to reflect on how new relationships with homeless men and women were changing her from the inside out. Fresh from an unwanted divorce, Elise began to realize that increasing closeness with these new neighbors was helping her both to heal from pain and loneliness and to enter a deeper relationship with Jesus. *My Neighbor, My Self* invites readers not just into Elise's own story but also into the stories of many other people. It explores surprising ways that our attempts to live into the second great commandment can actually help us live more fully into the first as well, discovering in the process a more fulfilling relationship with the Lord.

[Beyond the Battle](#) Noah Filippiak, 2021-08-10 All men face some degree of temptation or discontentment. Here is your guide to get you past frustration into freedom. We live in a culture where 55% of married men and 70% of single men look at porn at least once a month and over half of all marriages end in divorce. To understand why that is, we have to look beyond the battle to the root of both the problem and the solution. Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder, thinking better, and battering their behavior into submission. The problem with this approach, no matter how strong we are today, the battle continues tomorrow and nothing ever seems to change in the long run. In *Beyond the Battle*

author and pastor Noah Filipiak shows you why symptom based behavior management approaches offer short term solutions. Instead he unpacks the keys to a gospel centered long term victory helping you win the war against temptation and entitlement. Beyond the Battle is an accessible effective man to man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus to his sacrifice and sufficiency. Filipiak addresses deep questions of marriage singleness and sexual temptation like: What's really the worst enemy in a man's marriage? How are my assumptions about my wife contributing to the problem? How does a corrected understanding of God's grace change my outlook on marriage or singleness? This book turns typical purity strategies on their head by addressing head on our sense of self entitlement and our self seeking tendencies showing how to look to God instead of to women for intimacy approval acceptance and validation. Includes free access to 7 week small group video curriculum plus an optional 40 day devotional.
