## **Sacred Time And The Search For Meaning:**

Sacred Time and the Search for Meaning Gary Eberle, 2002-12-24 In *Sacred Time and the Search for Meaning* author Gary Eberle contemplates how humans view of time has evolved throughout history how we came to measure time and why we feel especially starved for it now Eberle seeks to rediscover a renewed sense of meaning in life through looking for ways to enter the realm of sacred time or sabbath time where we can reconnect with the slower deeper rhythms of life that have traditionally been experienced through worship prayer and the observance of holy days Drawing from the work of Western philosophers from Aristotle to Heidegger and on theorists from Jung to Foucault he presents both an intellectual history of time and a personal account of his own search for sacred time Along the way he formulates an insightful analysis of our culture's obsession with speed and efficiency and he offers guidance for slowing down to savor life outside of schedules and routines showing the way toward finding fulfillment in this increasingly accelerated world **Catholic to the Core!** Kathy Husak-Tarnacki, 2022-02-17 *Catholic to the Core* was born out of a restlessness in the heart of the author Since the early 1990s Kathy Husak Tarnacki felt a very distinct call from God to focus her skills and passions regarding education in a way that honored Christ in every way possible The call was so clear to her that she approached her pastor at the time and asked for permission to open a school within the church She had never been a principal and had never taken formal classes regarding administration but she knew that when God calls he equips And that he did The years that followed were filled with unexpected twists and turns in her professional career and her journey of faith from Catholicism to a non denominational setting then back to the Catholic Church Each step exposed her to new aspects of the possibilities and challenges present when you pursue Christ wholeheartedly as well as highlighting how far schools have fallen from fulfilling their God given purpose These experiences filled her heart and mind with thoughts questions concerns and possible solutions for the lukewarm atmospheres of many of our Catholic schools In 2014 she felt a tugging to begin to write her thoughts down on paper not sure exactly what the purpose would be Now in 2022 she is blessed with the opportunity to publish what she wrote and share it with the hope that it will encourage conversation reflection and determined action **An Oasis in Time** Marilyn Paul, 2017-08-22 There is a surprising way out of the frenzy that always being behind feeling and the endless to do list Now more than ever people are seeking a reprieve from the constant pressure to achieve produce and consume While many turn to sporadic bouts of mindfulness and meditation organizational change specialist Marilyn Paul offers a complementary solution that is as radical as it is ancient In her new book *An Oasis in Time* Paul focuses on the profound benefits of taking a modern day Sabbath each week for deep rest and nourishing renewal The energy perspective creativity sense of well being and yes increased productivity that ensue are lifesaving Drawing on Sabbath tradition contemporary research and interviews with scores of busy people Paul shows that it is possible to introduce these practices regardless of your religious beliefs Starting with just an hour or two you can carve out the time from your packed schedule design your

weekly oasis experience and most importantly change your mind set so you can enjoy the pleasure of regularly slowing down and savoring life every week From surrounding yourself with nature to practicing rituals for beginning and ending oasis time to implementing strategies for connecting with friends and family self and source you will discover practical ways to step off the treadmill and into timeless refreshment on your way to a calmer richer more fulfilling life     Master-Servant Childhood P.
