Alpha's Moon Renee Rose, Lee Savino, 2021-02-13 My alpha ordered me to keep away from humans My wolf is highly unstable Nearly feral I can't be trusted around civilians Certainly not with the lovely kindergarten teacher whose scent drives me wild But she needs a fake boyfriend for a weekend wedding trip A big guy to intimidate her ex How can I refuse I won't be directly disobeying an order because it won't be a real date It will be a nice clean mission We'll have separate rooms I'll keep my wolf on a tight leash And no matter how much I want to I will not mark and claim the sweet human as mine

Alpha's Revenge Renee Rose, Lee Savino, 2022-01-11 This is insane This human beautiful though she may be can't be my mate I learned the hard way what it's like to lose people you love As an alpha I vowed never to let that happen again That means keeping my focus Never letting my guard down And most of all staying away from civilians i.e. humans But the feisty chocolatier has me breaking my own rules The beautiful female tests my patience and all my control I should stay away I can't protect the pack if I succumb to my desires But what if this is more than desire What if Fate matched me with this human and she's my mate If I don't claim her I'll lose it all in the worst possible way *I'm Having The Alpha's Baby* Justin Hall, 2025-01-22 As a human Aubrey had always known that her relationship with Mark came with its risks but she had never imagined the challenges that lay ahead The pregnancy was far from blissful and Aubrey soon found herself facing unexpected dangers and uncertainties As the future mother of the alpha's babies Aubrey's life was no longer her own The fate of the pack the expectations of Mark's loyal followers and the ever present threat of rival wolves all hung in the balance Would Aubrey be able to navigate the treacherous world of shifter politics and protect her unborn babies or would the pressures of being the alpha's mate prove too great to bear *Stolen Kisses (Black Hills Wolves #61)* Merryn Dexter, 2016-12-10 A woman looking for a connection Following her grandmother's death Sadie Burrows King leaves the only pack she's ever known in search of family ties Crashing into Los Lobos literally she finds herself face to face with a man who calls to the lonely wolf inside her A man on the fringes of society Orphaned wolf Easton Quaid survived the cruel years of Magnum's reign by the skin of his teeth and the kindness of others of the pack but not really part of it His world turns upside down when a new wolf blows into town It will take every ounce of patience to claim her as his mate *Stolen kisses* Set a task in the scavenger hunt Sadie and Easton must work together Proximity and attraction lead to stolen kisses and more between the pair The mating call is strong but is it too much for her to handle Secrets and celebrations A new family a new pack and the temptation of a new mate Sadie had everything she ever dreamed of right As the Winter Solstice celebrations get into full swing old secrets are revealed Sadie faces the decision of her life Is she a solid reliable Burrows or a flighty untrustworthy King It's not only her heart at risk if she makes the wrong choice **Catalog of Copyright Entries. Gavin (Northern Ohio Shifters Book Three) R. E. Butler, 2025-03-07 Albino she wolf Sadie is blamed for

When Sadie is kidnapped by the poacher, Gavin must race against time to save her. Can their love survive the deadly threats, or will Gavin lose his true mate forever?

Trainwreck Heather C. Myers, 2022-03-24 Detention is not the place where you're supposed to meet your next boyfriend, especially when he's Asher Boyd, known pothead and occasional criminal. But he makes good girl Sadie Brown feel something she hasn't really felt before. Extraordinary seventeen-year-old Sadie Brown is a good girl from a good neighborhood who gets good grades and makes good choices. In the past, she's dabbled in making bad ones and ended up with an ex-boyfriend, a couple of bruises, and a year and a half of wasted time. Never again. Until detention when she officially meets Asher Boyd, notorious pothead and occasional criminal. He's everything she shouldn't want in a potential boyfriend: irresponsible, unreliable, and frustrating, and everything she can't resist. After an impromptu makeout session in a supply closet at the end of detention, rumors follow Sadie into next week, and when people start making assumptions based on those rumors, she is thrust into her high school's hierarchy. Suddenly, everyone has an opinion on her sex life, and her reputation is tarnished for something she didn't even do. Worst of all, Asher isn't around much and doesn't seem to care when he is. But there's more to Asher than meets the eye, more than just the superficial stereotype he indulges in to meet low expectations, and the darkness no one sees is enough for Sadie to risk her reputation to be with him. If he's willing to take the chance on her, that is.

Sadie's Highlander Maeve Greyson, 2017-09-12 The Highland Protector series brings to life four mouthwatering Celtic brothers in twenty-first century North Carolina, where the lasses are anything but tamed. Highland warrior Alec MacDara and his brothers traveled forward in time to protect the sacred Heartstone. Their cover: Owners and operators of a theme park called Highland Life and Legends. As the chairman, Alec has been fending off requests to film at the breathtaking property. It's only because of the charming correspondence from an enterprising production assistant that he agrees to a meeting at all. That's when Alec meets a woman whose lush curves make him forget, for the first time, all about tenth-century Scotland. A lowly assistant for her sister's motion picture company wannabe screenwriter, Sadie Williams, is shocked when Alec agrees to let them film at the park upon one condition: that she report to him daily. Sadie's sister always told her that their parents only adopted her because they felt sorry for the ugly little stray. But Alec looks at Sadie like she's the most tempting creature in the world. And with his gleaming musclebound body stripped down to nothing but a hip-hugging kilt and boots, Alec clearly knows a little something about temptation. Praise for Sadie's Highlander Readers will
