The Complete Guide Online Business Series also provides a special case study: *How to Make 300 per Month from a Niche Website*. Here's a preview of what you can learn from this book. The best personal trait you can possess for this affiliate business is patience. One of the biggest reasons why so many people fail in Internet marketing and affiliate income generation is because they give up too quickly. If they don't see themselves making money within the first month, then they assume it is hopeless and then just quit. This is the hardest thing to overcome, but remember that success does not come on a silver platter. You have to really work towards making this successful in order to pull it off. Then, once you make your first dollar from your niche website, making more money will start to get easier. The hardest part is just making that first dollar, but it will be worth it in the end. Just have patience. Don't wait.
