EXTRACT A

Then I hear the name and I see her. The bandage obscures half her face, but the other half is still beautiful. I look around for the Locusts, but she has come alone.

"My daughter's bird has told me I would find you here. But I should have known- it's obvious you love this place as much as I do."

The steel rails of the cage press into my back as I face her. "That's not possible I say. "Princess Fanny cannot speak."

"As soon as we discovered you were gone, Larissa took its eyes out. She explained that this was necessary so that the bird could tell her where the Savages had taken you. She said she would do anything to save you."

She comes closer, her one leg dragging behind her; Mistress no longer walks on air. "After the explosion Madam Merriem told me about you."
