

The most important of all Seventh-Day Adventist beliefs is the one that brings joy and assurance to Christians everywhere the truth about our Heavenly Father that was confirmed at such cost by the life and death of His Son.

God is not the kind of person His enemies have made Him out to be – arbitrary, unforgiving and severe. We accept the testimony of Jesus when He said, "If you have seen Me, you have seen the Father." God is just as loving and trustworthy as His Son, just as willing to forgive and heal. Though infinite in majesty and power, our Creator is an equally gracious Person who values nothing higher than the freedom, dignity, and individuality of His intelligent creatures that their love, their faith, their willingness to listen and obey may be freely given. He even prefers to regard us not as His servants but as His friends.

This is the truth revealed through all the books of Scripture. This is the everlasting Good News that wins the trust and Admiration of God's loyal children throughout the universe.

Like Abraham and Moses – the ones God spoke of as His trusted friends – We Adventists want to speak well and truly of our Heavenly Father. This is why we built so many centers of healing around the world, this is why we talk so much about Christ's soon return and why we choose to keep Sabbath on the seventh day. If friends and neighbours should wonder why, we would consider it a privilege to explain. We covet as the highest of all commendations the words of God about Job: "He has said of Me what is right."

*The Elephant in the Room* Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

**Revelation in the Song of Songs** Vola Masoandro Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of

their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God s laws Of course Even the sealing of God s people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book

**Luke's Jewish Eschatology** Isaac W. Oliver, 2021-03-23 Luke the eponymous author of the gospel that bears his name as well as the book of Acts wrote the largest portion of the New Testament Luke is generally thought to be a gentile This book addresses a question raised by Jesus s disciples at the very beginning of Acts Lord will you at this time restore the kingdom to Israel The question is freighted with political and national significance as it inquires about the restoration of political sovereignty to the Jewish people This book investigates Luke s perspective on the salvation of Israel in light of Jewish restoration eschatology It situates Luke Acts in the aftermath of the destruction of the Second Temple in 70 CE The author of Luke Acts did not write the Jews off but still awaited the restoration of Israel Luke conceived of Israel s eschatological restoration in traditional Jewish terms The nation of Israel would experience liberation in the fullest sense including national and political restoration Luke s Jewish Eschatology builds upon the appreciation of the Jewish character of early Christianity in the decades after the Holocaust which has witnessed the reclamation of the Jewishness of the historical Jesus and even Paul

**Deeper Praise** Cheryl Wilson-Bridges, 2016-03-01 In Deeper Praise Dr Cheryl Wilson Bridges outlines a theology of worship using principles drawn directly from the Bible Deeper Praise offers practical purposeful and Scripture based methods for identifying timeless foundational truths that can be applied to any style of church worship These principles will transform your worship experience and deepen your understanding of how to truly please God with your praise As a worshiper music lover and an esteemed worship educator Dr Bridges has the training knowledge experience and insight to assess what is sometimes missing in the music of the church Deeper Praise lays out a plan for renewal of those vital elements of Biblical worship

Christians who desire to know God want to offer Him pure praise and worship Him as He has instructed in His Word This book will prompt believers to examine their worship in the light of Biblical truth by the power of the Holy Spirit Combining story telling personal experiences extensive research and Biblical truth the teachings Dr Bridges has assembled here are Christ centered and can be easily applied Readers of Deeper Praise will find hope and strength for the journey They will be encouraged to make authentic scriptural praise and worship their aim      Biblical Women and Jewish Daily Life in the Middle Ages Elisheva Baumgarten,2022-06-07 In Biblical Women and Jewish Daily Life in the Middle Ages Elisheva Baumgarten seeks a point of entry into the everyday existence of people who did not belong to the learned elite and who therefore left no written records of their lives She does so by turning to the Bible as it was read reinterpreted and seen by the Jews of medieval Ashkenaz In the tellings retellings and illustrations of biblical stories and especially of those centered around women Baumgarten writes we can find explanations and validations for the practices that structured birth marriage and death women s inclusion in the liturgy and synagogue and the roles of women as community leaders givers of charity and keepers of the household Each of the book s chapters concentrates on a single figure or a cluster of biblical women Eve the Matriarchs Deborah Yael Abigail and Jephthah s daughter to explore aspects of the domestic and communal lives of Northern French and German Jews living among Christians in urban settings Throughout the book more than forty vivid medieval illuminations most reproduced in color help convey to modern readers what medieval people could have known visually about these biblical stories I do not claim that the genres I analyze here literature art exegesis mirror social practice Baumgarten writes Rather my goal is to examine how medieval Jewish engagement with the Bible offers a window onto aspects of the daily lives and cultural mentalit s of Ashkenazic Jews in the High Middle Ages In a final chapter Baumgarten turns to the historical figure of Dulcia a late twelfth century woman to ponder how our understanding of those people about whom we know relatively more can be enriched by considering the lives of those who have remained anonymous The biblical stories through which Baumgarten reads contributed to shaping a world that is largely lost to us and can help us in turn to gain access to lives of people of the past who left no written accounts of their beliefs and practices      *Divine Beauty Divine Glory* Alison M. Downs,2020-09 The Beauty and the Glory of the Divine by Alison M Down is an astute look at the Exodus story that focuses on one Figure that too often remains hidden behind a monumental figure of Moses and manifold events of the book on God the Leader of the Exodus As we live in an efficiency driven society we tend to look at actions and results as the highest priority While the book of Exodus is indeed packed with actions and as it results in a radical change in history many Christians tend to overlook the main purpose of the book of Exodus The main purpose of this and of every other book of the Holy Scripture and of the Word Incarnate is to reveal God the Father Alison in her dynamic study has grabbed the very nerve of the Exodus narrative the revelation of the Divine Holiness and other attributes and characteristics of God to sinful humankind As this emphasis is lost and unfortunately it s been lost in too many publications the main purpose of the book of

Exodus remains only as a potential On the other hand Alison helps a reader to refocus from a traditional study of peoples and events of Exodus to the God of Exodus The study is carefully organized after the events of the Exodus yet with each chapter with each page we come closer not just to the Promised Land but we come to better understand God the true Leader of the Exodus As a systematic theologian I see that this book is needed for two main reasons First it provides a unique focus of God Second The Beauty and the Glory of the Divine by Alison M Down helps Christians to bridge what seems to be a gap between the God of the Old Testament and His Son Jesus Christ This study is fun to read as a reader would certainly share in Alison s excitement over many personal discoveries The book is also valuable as it provides numerous parallel stories and texts from other books of the Bible That solidifies this research and makes reading more diverse and interesting I would certainly recommend this material to any diligent student of the book of Exodus Dr Oleg Zhigankov PhD Systematic and Historical Biblical Studies Pastor North Bay and South River Churches Ontario Conference of Seventh Day Adventists     **The**

**Law by Night** Jonathan Goldberg-Hiller,2023-11-28 In Law by Night Jonathan Goldberg Hiller asks what we can learn about modern law and its authority by understanding how it operates in the dark of night He outlines how the social experience and cultural meanings of night promote racialized and gender violence but also make possible freedom of movement for marginalized groups that might be otherwise unavailable during the day Examining nighttime racial violence curfews gun ownership the right to sleep and take back the night rallies Goldberg Hiller demonstrates that liberal legal doctrine lacks a theory of the night that accounts for a nocturnal politics that has historically allowed violence to persist By locating the law s nocturnal limits Goldberg Hiller enriches understandings of how the law reinforces hierarchies of race and gender and foregrounds the night s potential to enliven a more egalitarian social life

Purifying the Consciousness in Hebrews Joshua D. A. Bloor,2023-02-23 Joshua D A Bloor argues that the purification of the consciousness of sin via Jesus perpetual heavenly blood offering is a vital motif for understanding Hebrews sacrificial argumentation and vice versa Jesus objective earthly achievements are many yet only his subjective heavenly blood offering purges the heavenly tabernacle and subsequently the consciousness of sin Bloor views the Levitical cult as having a positive role in Hebrews with Levitical guilt foreshadowing and informing Hebrews notion of the consciousness of sin Levitical sacrifices could purge the consciousness but only Jesus heavenly blood can offer complete perpetual purgation This blood is a qualitative type of purgation which continually speaks in heaven offering eternal assurance for the recipients regarding their consciousness of sin Bloor begins with the defiled consciousness and situates the world of Hebrews within cultic defilement enabling the consciousness of sin and its cosmic implications to be properly understood From here the solution to a defiled consciousness is explored by examining Hebrews cultic argumentation Bloor highlights the distinctive purposes inherent in both Jesus earthly and heavenly achievements with the latter concerned particularly with Yom Kippur imagery and the purgation of the consciousness Bloor concludes by differentiating between Jesus session present heavenly activity and perpetual heavenly blood offering Throughout this volume Bloor engages critiques and advances current discourse concerning the nature and timing of Jesus offering in Hebrews

and comprehensive vision of the church's rich and multifaceted relational nature this book draws on the mainstream Christian koinonia based framework. Consequently it provides possible solutions to some of the most divisive ecclesial issues that Christian communities face today regarding church structure, ministry, mission, communal interpretation and reform. As it sets on a new footing the conversation between Adventism and other mainstream Christian traditions the methodology of this book serves as a pathway for any Christian community to use when revisiting and enhancing its own current theologies of the church.
