## **Rs Recipe For Disaster:**

**Indian Economy & Business** Ashish Agrawal, 2023-03-29 The book is a collection of articles analysing recent developments and key features of Indian economy business The book also contains brief case studies on corporate failures of recent times analysis of mergers acquisitions Industry analysis and analysis of key international developments The book attempts to reach out to all youngsters particularly those appearing in Management Banking Civil Services and similar entrance exams I am sure this would go a long way in helping you prepare for these exams Apart from that the book would also be an extremely useful read for those already in various management institutes or studying Economics Finance Business etc This would not only prepare them for their job interviews but also because it is important for all the youngsters to have a broad understanding of these issues to evolve as smarter professionals

## **FREEBIES AND WELFARE SCHEMES A FISCAL DISASTER & SUGGESTED FRAMEWORK FOR ELECTION FINANCING PRAHALAD**

RAO, 2023-03-25 Election financing freebies and welfare schemes when prefaced with the democratic structure incorporated in our Constitution and the democratic way of functioning that have taken away the credentials of democracy and seem to blur the democratic system and the underlying spirit We have made hundreds of laws rules regulations schemes guidelines but failed to appreciate the fact that without fairness and somewhat seeming transparency in the framework of the democracy we have been following for the last seventy two years or so which is like painting one's own face with different colors to evade identification of the flow of funds in the election financing besides those official permitted by the Government of India Freebies born thereafter as a kind of the election financing now reached a stage where there is a storm brewing This erodes our performance and achievements with democracy as our base of governance

**Fundamentals of Conservation Biology** Malcolm L. Hunter, Jr., James P. Gibbs, 2009-03-12 In the new edition of this highly successful book Malcolm Hunter and new co author James Gibbs offer a thorough introduction to the fascinating and important field of conservation biology focusing on what can be done to maintain biodiversity through management of ecosystems and populations Starting with a succinct look at conservation and biodiversity this book progresses to contend with some of the subject's most complex topics such as mass extinctions ecosystem degradation and over exploitation Discusses social political and economic aspects of conservation biology Thoroughly revised with over six hundred new references and web links to many of the organizations involved in conservation biology striking photographs and maps Artwork from the book is available to instructors online at [www.blackwellpublishing.com/hunter](http://www.blackwellpublishing.com/hunter) and by request on CD ROM

*The Political Economy of Agricultural Policy Reform in India* Regina Birner, Surupa Gupta, Neeru Sharma, 2011 Agricultural policy reform is one of the major challenges facing India today Such reform is required to reduce poverty through faster agricultural growth and to promote more sustainable use of natural resources while ensuring food security Subsidy policies that promote the use of fertilizer and of electricity for groundwater irrigation are in particular need of reform While subsidies for these two inputs played a crucial role in achieving

India's Green Revolution they have been criticized during the past decade for benefitting large scale farmers more than smallholders placing a fiscal burden on the state and having negative environmental effects By analyzing the evolution of these input subsidy policies and examining the political processes involved in efforts to reform them this study throws new light on the factors that have so far prevented a move toward more pro poor and environmentally sustainable agricultural input policies in India The authors show that electoral politics institutional factors and policy paradigms or belief systems all play an important role in blocking reform They identify several policy reform options as well as political strategies that can overcome past obstacles to reform Community based policy solutions new coalitions for policy reform fresh approaches to the policy debate innovative and consensus oriented forms of deliberation and effective use of research based knowledge can all make positive contributions to Indian policy reform The analyses and proposals presented in this study will be a valuable resource for policymakers and stakeholders concerned with the politics of agricultural development
