Scoring Rubrics in the Classroom Judith Arter, Jay McTighe, 2001 A practical guide to more effective assessment for improved student learning Learn how to be more consistent in judging student performance and help your students become more effective at assessing their own learning This book offers a practical approach to assessing challenging but necessary performance tasks like creative writing real world research projects and cooperative group activities Judith Arter and Jay McTighe experts in the field of assessment wrote *Scoring Rubrics in the Classroom* to help you achieve three main goals Clarify the targets of instruction especially for hard to define problem solving Provide valid and reliable assessment of student learning Improve student motivation and achievement by helping students understand the nature of quality for performances and products

Each chapter is framed by an essential question and includes illustrative stories practical examples tips and cautions and a summary of key points and recommended resources for further information The resources section contains a wealth of rubrics to adopt or adapt Teachers and administrators will find this an essential resource in increasing teacher effectiveness and student performance

Security Games Colin Bennett, Kevin Haggerty, 2012 Security Games Surveillance and Control at Mega Events addresses the impact of mega events such as the Olympic Games and the World Cup on wider practices of security and surveillance Mega Events pose peculiar and extensive security challenges The overwhelming imperative is that nothing should go wrong There are however an almost infinite number of things that can go wrong producing the perceived need for pre-emptive risk assessments and an expanding range of security measures including extensive forms and levels of surveillance These measures are delivered by a security industrial complex consisting of powerful transnational corporate governmental and military actors eager to showcase the latest technologies and prove that they can deliver spectacular levels of security Mega events have thus become occasions for experiments in monitoring people and places And as such they have become important moments in the development and dispersal of surveillance as the infrastructure established for mega events are often marketed as security solutions for the more routine monitoring of people and place Mega events then now serve as focal points for the proliferation of security and surveillance They are microcosms of larger trends and processes through which as the contributors to this volume demonstrate we can observe the complex ways that security and surveillance are now implicated in unique confluences of technology institutional motivations and public private security arrangements As the exceptional conditions of the mega event become the norm Security Games Surveillance and Control at Mega Events therefore provides the glimpse of a possible future that is more intensively and extensively monitored

Daily Life in Stuart England Jeffrey L. Forgeng, 2007-03-30 England witnessed an overall rising standard of living in the seventeenth century Still very much an agrarian society approximately 80% of the population lived in rural settlements and even citydwellers were in walking distance of farmland However as the century came to an end a growing proportion of the population was living in urban areas London in particular grew from some 200 000 people in 1600 to 575 000 by 1700 and went from being the 3rd largest city in Europe to the largest Homes were larger than previously and the wealth of a family could be determined by how many fireplaces were in the home Clothing was another important facet of Stuart culture and not only protected the wearer against the elements but was a statement of their position in society Clothing and homes weren't the only marker of social status even sports and games were often divided along class lines many in the lower classes played football while the upper classes were consumed with billiards Forgeng brings life in Stuart England alive for students and general readers alike Chapters devoted to the course of life and cycles of time the living environment clothing and accoutrements food and drink and entertainments detail the day to day lives of those living in Stuart England while the role of women religion science and technology the military and trade and economy are also explored Greenwood's Daily Life

through History series looks at the everyday lives of common people This book will illuminate the lives of those living in Stuart England and provide a basis for further research Black and white photographs maps and charts are interspersed throughout the text to assist readers Reference features include a timeline of historic events sources for further reading glossary of terms bibliography and index Cambridge Global English Stage 6 Teacher's Resource Jane Boylan,Claire Medwell,2014-05-22 Cambridge Global English is a nine stage language rich course for learners of English as a Second Language following the Cambridge International Examinations curriculum framework Teacher s Resource 6 provides step by step guidance notes for teachers for each lesson in every unit to support teaching the content of Learner s Book 6 Notes on Activity Book 6 are also included A unit overview provides a snapshot of lesson objectives and the language and skills covered The notes include answer keys to activities in the Learner s Book and Activity Book complete audio scripts suggestions for differentiation and assessment cross curricular links portfolio opportunities and additional unit linked photocopiable activities and unit based wordlists Decision Making for Sports Officials Ian Cunningham,Aden Kittel,Duncan Mascarenhas,Clare MacMahon,Paul Larkin,2025-06-09 This essential guidebook provides a comprehensive holistic and evidence based account for improving the decision making of sports officials across different sports and levels By combining cutting edge research with practical strategies this book provides fundamental frameworks for developing decision making skills that support the needs of officials themselves officiating educators sport organizations and academics This cross disciplinary collaboration ensures the book stays grounded in both theory and practice offering readers a well rounded state of the art understanding of the subject Divided into three key sections the book first explores the unique demands and types of decisions faced by officials in different sports Next fundamental cognitive and mental factors that influence decision making are explained emphasizing the creation of knowledge the influences on decision processes and the role of mental health and psychological management on decision making performance Finally the book outlines pragmatic and innovative strategies for supporting assessing and training decision making and creating effective development climates for sports officials Future trends in the evolution of technology use for training and assessing officials spanning grassroots to elite levels are also discussed including artificial intelligence AI virtual reality VR and other immersive learning tools Each chapter is enriched by Knowledge in Practice boxes which bring the experiences and perspectives of sports officials officiating educators and administrators and sports scientists from around the globe to light These provide real world examples and lessons for how decision making can be improved in various sporting contexts Decision Making for Sports Officials Training and Assessment Perspectives is a core resource for enhancing decision making in the high stakes world of sports officiating Strategies for Inclusion Lauren J.
