

## Writing help when you need it.

**In the book . . .** When you have a question as you write, you want quick, practical advice in language you can understand and in a format that's easy to use. *Rules for Writers*, Sixth Edition, has the advice you need. Because you will write in almost every college course, it's a tool you can hang on to — one that will continue to help answer questions about writing, research, and grammar any time of day or night.

**On the Web . . .** The companion Web site offers online writing help 24/7, exercises with feedback, sample papers, research guidelines, tutorials, ESL help, access to an online version of the book, and writing center resources — including straightforward helpsheets for common writing problems.

**And at a low price . . .** *Rules for Writers* is already priced lower than almost every other college handbook. When you think about it, though, hanging on to the book after your writing class — and continuing to use it in business, psychology, or literature — makes the price even more reasonable.
