Guernsey,Jeffrey Sweet,1992-11-01 Gathers highlights from the season s ten best plays and information on plays produced in the United States **The First Star Trek Movie** Sherilyn Connelly,2019-10-11 The story of Star Trek s resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise s *Star Trek The Motion Picture* has become legend and like so many other legends it tends to get printed instead of the facts Drawing on hundreds of contemporary news articles and primary sources not seen in decades this book tells the true story of the first successful Star Trek revival After several attempts to relaunch the franchise ST TMP was released on a wave of prestige promotion hype and public frenzy unheard of for a film based on a television show Controversy surrounded its troubled production and 44M budget earning it a reputation at the time as the most expensive movie ever made After a black tie premiere in Washington D C its opening in 856 North American theaters broke multiple box office records a harbinger of the modern blockbuster era Despite immediate financial success the film was panned by both critics and the public leaving this enterprise nowhere to boldly go but down *The Best Plays of 1993-1994* Otis L. Guernsey,Jeffrey Sweet,2004-08 Featuring scenes from the ten best plays Jacket *Reexamining Socrates in the Apology* John Russon,Patricia Fagan,2009-07-21 An oracle was reported to have said No one is wiser than Socrates And in fact it was Socrates life s work to interpret these words which demanded and defined the practice of philosophy Each of these original essays attends carefully to the specifics of the *Apology* looking to its dramatic details its philosophic teaching and its complexity as a work of writing to bring into focus the Socrates of the *Apology* Overall the contributors distinguished scholars of ancient philosophy share a belief in the unity of the letter and the spirit of Platonic philosophy the conviction that the Platonic text cannot be reached except through reading and cannot be read except through thinking In this way the readings in this volume mirror Socrates own hermeneutical practice of uniting the demands of the mind and the demands of the text the Socratic examination The result true to the Socratic injunction that the unexamined life is not worth living continues that practice of examination here offering a reexamination of Socrates in the *Apology* **Rob Wagner's Beverly Hills Script** ,1929 **Activated Script Analysis** Elizabeth Brendel Horn,2023-05-02 Activated Script Analysis engages theatre students in traditional formative script analysis through a fusion of devised theatre and various modes of creative

expression dispelling the notion of script analysis as an isolated pen to paper task and reimagining it as a captivating and collaborative process This book uses diverse contemporary plays to model the script analysis process for each of four Theatrical Elements Given Circumstances Character Setting and Structure By considering each of these elements readers can uncover patterns and themes within a dramatic text Woven throughout the study of each theatrical element are Connections Personal Connections which encourage readers to explore a theatrical element within their own lives as though their lives were a script Play Connections which make abstract ideas presented in script analysis concrete through theatre based play Professional Connections which examine how a theatre professional might analyze a script within their own work and Performative Connections which provide the opportunity for students to explore a theatrical element through performance using devised theatre strategies At the end of each chapter readers are given the opportunity to analyze a text through the lens of a Theatrical Element and to express their findings through a variety of digital written visual and performance based modes of expression Activated Script Analysis is designed for undergraduate theatre students and educators to be used as the primary text in Script Analysis coursework or as a supplemental text in Acting or Directing courses The book includes access to downloadable templates and example videos available at www.routledge.com

9781032125398 **Script Analysis for Actors, Directors, and Designers** James Thomas, 2013-10-08 Script Analysis for Actors Directors and Designers teaches the skills of script analysis using a formalist approach that examines the written part of a play to gauge how the play should be performed and designed Treatments of both classic and unconventional plays are combined with clear examples end of chapter questions and stimulating summaries that will allow actors directors and designers to immediately incorporate the concepts and processes into their theatre production work Now thoroughly revised the fifth edition contains a new section on postmodernism and postdramatic methods of script analysis along with additional material for designers **This Book Is Not about Drama...** Myra Barrs, Bob Barton, David Booth, 2012 Part food for thought part instruction manual part stories and scripts to explore and part encouragement to recharge this practical book offers a comprehensive approach to using role play and discussion to build meaningful language experiences It explores issues around storytelling silent speech writing and imagination and shows teachers how to be effective observers and support the deeper meaning that comes from working inside and outside the text This authoritative resource is full of simple strategies and texts that have been chosen for their ability to engage students get them out of their chairs and let them learn actively and socially The strategies begin with simple games and evolve into more complex learning opportunities The model texts give teachers a great place to start and anecdotes from real classrooms put them into context These classroom glimpses illustrate the real power that students can bring to their learning as they share within groups and find ways to involve their audience Publisher **Truth and Rumors** Bill Brioux, 2007-12-30 When you first heard it you couldn't believe it Jerry Mathers from TV's Leave It To Beaver had been killed in Vietnam Then word came that Abe Vigoda the actor who played the

curmudgeonly cop Fish on Barney Miller was dead and that Mikey who would eat anything as the Life Cereal tyke had eaten too many Pop Rocks and exploded Besides exposing us to things we couldn't otherwise believe television can convince us of things that never actually happened But how did these outrageous TV legends get started How did they spread from classrooms to boardrooms across North America and beyond And most important what do these rumors so quickly transformed into facts and common knowledge reveal about our relationship to reality through the medium of television Put in other words what exactly is it that were doing when were dealing in these fabulous rumors are we chasing after surprising truths or simply more incredible entertainment To take one telling example Jerry Mathers was not actually killed in Vietnam but the basic sense of this lie wasn't far removed from the emotions factually expressed in the two page spread of the faces of the dead in Time magazine In the course of this compelling work which is supplemented with interviews with many of the people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well
