**Disobedient God** Albert Tate,2023-04-25 In this powerful guidebook the lead pastor of Fellowship Church demonstrates how the moments that test our faith are the moments God uses to direct our hearts to the one thing we truly desire most a relationship with Christ When the people of Israel those who had witnessed the most abundant and inexplicable acts of God grew tired of waiting for Moses to come off the mountain they made a calf of gold It was easier for them to make a new god than to continue serving a God that didn t conform to their schedule and expectations Just like the Israelites in the desert we are all fundamentally longing for God but who and what are we actually reaching for and serving Disobedient God addresses the things we do when we feel ignored inconvenienced and frustrated by God What things are we reaching for in our life Are we reaching for porn when we long for intimacy Reaching for success when we long for security We would never say that we have replaced God but our actions tell a different story Whether we are trying to replace God trying to run away or trying to perform for Him we have no mindset to deal with a disobedient God Disobedient God is a book for people dealing with this disappointment and interested in properly understanding and loving the God they ve misunderstood This is not a step by step instruction manual for how to react when things are difficult rather it is a way of understanding God that leads people to discover the relationship with God that they were always meant for **The Runaway Bride** Elizabeth Kendall,2002-02-18

In the 1934 classic *It Happened One Night* heiress Claudette Colbert races away from the altar and a conventional marriage and throws herself into a wisecracking rough and tumble affair with Clark Gable. The new brand of movies following in the wake of Capra's kooky masterpiece and the women starring in them are the focus of Kendall's *The Runaway Bride*: a look at the films that mirrored the climate of the Great Depression while at the same time helping Americans get through it. Kendall details the collaborations between the romantic comedy directors and the female stars showing how such films as *Alice Adams* with Katherine Hepburn, *Swing Time* where Ginger Rogers enjoys *A Fine Romance* with Fred Astaire, *The Awful Truth* with Irene Dunne and *The Lady Eve* wherein Barbara Stanwyck's shapely leg repeatedly trips naïve millionaire Henry Fonda came to be and what they said about the 1930s. Written with erudition and enthusiasm, *The Runaway Bride* is a trip through some of Hollywood's most memorable moments and a key to the national issues of an era as revealed in its films.
