Run Amy Run:

Run, Amy, Run! Beth Huffman, 2011-11-25 Beth Huffman, 2010-05 Run Amy Run is written in memory of Amy an inspirational young woman who refused to give in to cystic fibrosis a ravaging disease that invaded her lungs at birth By God's grace and Amy's determined spirit her life span and quality of life far exceeded her doctors expectations Run Amy Run is also a love story Amy chose this Bible verse from Corinthians 13:13 to be shared during her wedding ceremony And now abideth faith hope love these three but the greatest of these is love These words became the foundations of Amy's marriage and life When confronted with one physical battle after another her unwavering faith and hope prevailed Amy's greatest ally though was love Given to and received from her family and friends it was love that ultimately led her to victory Perhaps you've heard the expression that life should not be measured by the number of breaths we take but rather by the number of moments that take our breath away Amy experienced the truth of these poignant words her entire life She gathered the strength to breathe each day and fought the disease that dictated how many breaths she would finally take *Miller's Run* Reese Quinn, 2021-11-04 Amy's life was over until it began again with Sarah Sixteen year old Amy discovers she's pregnant in the winter of 1974 Before the fateful event her life was plotted out for her Become a lawyer and marry Joshua All that ends when her parents find out she's pregnant from her tattling sister and spirit her away to Australia She's to give birth and return alone like the pregnancy never happened This attempt fails as the woman who meant to pick up Amy at the Sydney airport never shows She meets a stranger instead Sarah who takes her home Life with Sarah is different from the turmoil Amy faced with her family Determined to chart her own course now she remains with Sarah and develops feelings for her which Sarah reciprocates Between Sarah's sordid past and Amy's uncertain present the future promises to be turbulent Follow Amy and Sarah as they navigate life's hurdles Family is precious bound by blood or love *A Passion for Running* Scott Ludwig, 2009-10 In his autobiography Running through My Mind Confessions of an Every Day Runner author and runner Scott Ludwig states he would like to write a book about the superheroes he's grown to know throughout his running lifetime Ludwig's second book A Passion for Running Portraits of the Everyday Runner tells the amazing stories of 18 runners he has grown to respect and admire in his 31 years as a runner Inside you will meet Anne an admitted couch potato at 40 and accomplished 100 mile runner at 56 Bobbi the first woman to run the Boston Marathon during a time when women weren't capable of running more than 1 1/2 miles Elizabeth who ran through the dark to complete her first 100 mile run despite having no vision at night and 97% vision loss during the day Sarah the only finisher male or female of a bitterly cold race which just happened to be 135 miles long Lloyd a beginning runner at 59 and holder of various age group records once he reached the ages of 70 75 80 and now 85 Bob winner of countless races in his 30's and 40's who can't seem to slow down in his 50's Jerry who ran an official marathon course 200 times in the year 2000 because well just because Al who has run a sub five minute mile sub three hour marathon and 100 miles in less than 24 hours at age 60 yet still imagines what the future

holds at the age of 64 All have their own unique story to tell and Ludwig is proud to be the one to tell them You ll find all of their stories fascinating how running became a part of their lives their approach to the physical psychological and emotional demands of running and their special advice and insight into the sport You ll also hear their personal accounts of the most memorable running event in each of their lives from the Boston Marathon to the Comrades Marathon to the Western States Endurance Run to the blistering Badwater Ultramarathon to the frigid Arrowhead 135 Their stories will be sure to inspire and motivate you for a lifetime

Running Out of Gas Scott Ludwig,2018-01-15 It s inevitable that all runners who have been pounding the pavement for a very long time will eventually slow down Having run every day since November 30 1978 Scott Ludwig certainly falls into this category Considering that he can no longer run a single mile in the pace he ran 26 of them when he set his first marathon best many years ago Ludwig finds he is ready to accept the reality of slowing down with age Now that he has entered the ranks of the grizzled veterans he seeks to offer runners all the wisdom and insight he gained from his many years and miles on the roads and trails A do as I say not as I do runner Ludwig has compiled his advice for runners who find they may not run quite as fast as they used to in *Running Out of Gas* a humorous take on aging gracefully Relating his own personal running anecdotes Ludwig prepares runners for what s to come while sharing a few laughs along the way Runners of all ages and mileage will enjoy Scott Ludwig s *Running Out of Gas*
