A New Pocket Dictionary of the English and Russian Languages John Henry Freese, 1919 *A Dictionary of the English and Russian Languages* Jacob Banks, 2025-08-04 Reprint of the original first published in 1840 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **A New Pocket Dictionary of the English and Russian Language** John Henry Freese, 1916 Conversational Russian Quick and Easy Yatir Nitzany, 2019-01-13 THIS BOOK DOESN T CONTAIN ANY WORDS IN THE CYRILLIC ALPHABET ALL RUSSIAN WORDS IN BOTH THE KINDLE AND PAPERBACK VERSION OF THIS BOOK WERE WRITTEN IN ENGLISH TRANSLITERATION FOR ASSISTANCE IN THE PRONUNCIATION OF THE WORDS IN THIS PROGRAM THEN PLEASE PURCHASE THE AUDIO VERSION Have you always wanted to learn how to speak Russian but simply didn t have the time Well if so then look no further You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language In creating this time saving program master linguist Yatir Nitzany spent years examining the twenty seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations These three hundred and fifty words were chosen in such a way that they were structurally interrelated and when combined form sentences Through various other discoveries about how real conversations work discoveries that are detailed further in this book Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now If you want to learn complicated grammar rules or the non Romanized alphabet of a foreign language then this book is not for you However if you need to actually hold a conversation while on a trip to Russia to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible then the Nitzany Method is what you have been looking for This method is designed for fluency in a foreign language while communicating in the present tense Nitzany believes that what s most important is actually being able to understand and be understood by another human being right away Therefore unlike other courses all words in this program are taught in English transliteration without having to learn the complex Cyrillic alphabet More formalized training in grammar rules etc can come later This isn t a pronunciation book Thus this book is recommended for those with prior knowledge in pronunciation of the Russian language However for those who aren t previously familiar this book does provide some basic tools to teach pronunciation You will notice in this program that occasionally the endings of certain Russian words change slightly depending on different cases However since this is not a grammar book this program will not teach you these skills nor will it teach you the accusative genitive dative instrumental or prepositional cases The only thing this book offers are the necessary tools to become conversational in a foreign language in record time As previously stated though with regards to grammar and pronunciation you are on your own This is one of the several in a series of instructional

language guides the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Russian Quick and Easy*, all you need are fifty-three pages. Learn Russian today, not tomorrow, and get started now. New Parallel Dictionaries of the Russian, French, German and English Languages Anonymous, 2023-06-12. Reprint of the original first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost. *Conversational Languages Quick and Easy - Slavic Series* Yatir Nitzany, 2020-12-16. Have you always wanted to learn how to speak a Slavic language such as Russian, Ukrainian, Bulgarian and Polish but simply didn't have the time? Well, if so, then look no further. You can hold it in your hands. *Conversational Languages Quick and Easy Slavic Series*, which contains one of the most advanced and revolutionary methods that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and when combined form sentences. Through various other discoveries about how real conversations work, discoveries that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Russian, Ukrainian, Bulgarian and Polish, then this book is not for you. However, if you need to actually hold a conversation while on a trip to Russia or to the Slavic-speaking countries of Eastern Europe to impress that certain someone or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several in a series of instructional language guides. The Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Languages Quick and Easy Slavic Series*, all you need is this book.
