Coblentz,2024-01-05 Excerpt A hundred thousand years have passed since a certain memorable twilight in the forest of Umbaddu Beyond a long ragged ridge of spruce the sun went down in forlorn crimson precisely like the suns of a later day across the winding valley with its shaggy woods and age battered buttes and cliffs an enchanted calm had settled as though time had ended and there were no other days to come Only the Harr Sizz or Long Snake River foaming in tumultuous serpentine along its deep rocky ca on persistently broke the silence of the great wilderness though now and again the call of some belated bird or howling of hyena or long drawn mournful plaint of some lonely wolf would sound weirdly and from far away like a voice from another world **The Wonder Stick** Stanton Arthur Coblentz,1929 Faceless Gods Sandeep Dahiya,2014-02-22 It is a long story slowly moving like a broad river in its journey through the plains It is just an effort to highlight some sober facts like the true meaning of nationalism religion politics and humanism The work has very sharp political connotations But I would like to clarify that while espousing the cause of clean politics I have taken very dagger sharp cuts at certain political forces whose brand of politics results in reversing the basic meanings of religion and nationalism But it is for sure that all such literary efforts from my side are just a battle cry against bad politics rather than going against any particular political force By having creative cuts at the razor sharp edges of most of the political blocks in India I have tried to carve out a straight faced deity whom people have in mind when they envision their interests in the safe hands of the state Becoming Human Godelieve Prové,2004 This book is a story of an unusual group of women the international organization of Medical Mission Sisters as told by one sister a Flemish medical doctor In the second part of this book the author reflects on her own psychological and spiritual development using a model based on the writings of the medieval mystic Ruusbroec Back cover
