Winnebago Nation James B. Twitchell, 2014-04-08 There are close to 8.5 million RVs on the U.S. highways and roads today and if you are a man in your fifties there is a good chance you have owned or are about to own a recreational vehicle *Winnebago Nation* is a light hearted look at the culture and industry behind the yearning to spend the night in one's car For the young the roadtrip is a coming of age ceremony for those later in life it is the realization of a lifelong desire to be spontaneous nomadic and free James B. Twitchell recounts the RV's origins and evolution over the twentieth century its rise fall and rebirth as a cultural icon its growing mechanical complexity as it evolved from an estate wagon to a converted bus to a mobile home and its role in bolstering and challenging conceptions of American identity Mechanical yet dreamy independent yet needful solitary yet clubby adventurous yet homebound life in a mobile home is a distillation of the American character and an important embodiment of American exceptionalism Richie Rich and Hobo Hank spend time in essentially the same rig at the same campground albeit for different reasons and in different levels of comfort The frontier may be tapped out but we still yearn for the exploratory life Twitchell concludes with his thoughts on the future of RV communities and the possibility of mobile cities becoming a real part of the American landscape

Real Ventures Bonnie Burgess Neely, 2022-12-12 Isolation during the Pandemic vastly increased RV travel but also created anxiety and depression The best release for emotional distress is humor This book presents the gift of laughter and escape so needed at this troubled time in the world This is the perfect read for your favorite chair or on any trip Whether you are campers or those who prefer staying at home it will keep all ages laughing aloud or gasping in amazement *Real Ventures Did We Really Do That* describes our almost unbelievable but true RV experiences and hilarious tales from 1975 to the present Our RV travel mileage is equal to three trips to the moon or around the circumference of the earth's

equator twenty five times Our nine different RVs ranged in size from a cramped seventeen 17 feet for a family of six to thirty six feet of luxury for two Our adventures sometimes included a pet friends in laws a newborn baby children teens the elderly or the handicapped We camped in every state in the continental USA every province in Canada all over Mexico El Salvador Belize Guatemala and some of France Italy and Switzerland My husband did not like to be limited to campgrounds reserved in advance so some of our RV overnights were quite unique or scary Since he was a college professor wanting to see as much as possible during school holidays he preferred to wing it and exit to anywhere that looked interesting our serendipities These travels began when we were barely thirty years of age and continue till now at almost age eighty We Have Tales to Tell
