

Rvolutions Mathieu Pigasse

Claude Béland

Rvolutions Mathieu Pigasse:

L'évolution du coopératisme dans le monde et au Québec Claude Béland, 2012-10-04T00:00:00-04:00 De partout dans le monde fusent des appels au changement Alors que l'espoir est exprimé dans les grandes chartes des droits de l'homme ou dans les constitutions des pays l'ultralibéralisme exacerbe loigne les populations de ce noble projet Apparaît plutôt un retour aux politiques individualistes l'impuissance citoyenne aux incertitudes un monde conflictuel et aux luttes des classes Les chefs d'Etat et les chefs des banques centrales disent haut et fort qu'on ne peut agir comme si rien ne se passait Mais ce jour malgré leurs multiples rencontres rien n'a vraiment changé Pourtant le coopératisme ce système fondé sur la liberté la justice et la solidarité a traversé les siècles les guerres les crises de toute nature sans renoncer ses valeurs et ses principes Il a permis des millions de personnes de se initier la citoyenneté par l'éducation coopérative et la pratique de la démocratie participative C'est par les hommes et les femmes regroupés dans des cellules démocratiques et coopératives que le monde pourra changer

European Media in Crisis Josef Trappel, Jeanette Steemers, Barbara Thomass, 2015-06-12 When the financial markets collapsed in 2008 the media industry was affected by a major slump in advertising revenues and a formerly highly successful business model fell into a state of decay This economic crisis has threatened core social values of contemporary democracies such as freedom diversity and equality Taking a normative and policy perspective this book discusses threats and opportunities for the media industry in Europe What are the implications of the crisis for professional journalism the media industry and the process of political communication Can non state and non market actors profit from the crisis And what are media policy answers at the national and European level Insoumise Delphine Batho, 2014-10-15 Pendant 1 an 1 mois et 17 jours Delphine Batho a été ministre de France Hollande avant d'être brutalement limogée Avant tous les frondeurs en vogue elle a eu l'audace de dénoncer une politique qui selon elle n'annonçait qu'écarts et illusions Observatrice et actrice du fonctionnement de l'Etat elle livre ici un récit inédit saisissant de son expérience de Ministre Sans amertume elle y raconte la faiblesse des uns la lâcheté des autres la droiture de quelques uns ainsi que le grand bal des vanités ou des ambitions Plus gravement elle y déploré les pratiques d'une République dont l'arbitraire et la bureaucratie ont perverti les mécanismes Et surtout elle dénonce avec lucidité comment au sommet de l'Etat règne ouvertement une navrante connivence avec les lobbies et les puissances financières que la gauche tentait de combattre

Rapport d'enquête sur les conditions d'octroi d'une autorisation d'émettre à la chaîne Numéro 23 et de sa vente Marcel Rogemont, commission d'enquête sur les conditions d'octroi d'une autorisation d'émettre à la chaîne Numéro 23 et de sa vente, 2016-12-08 En créant la commission d'enquête sur les conditions d'octroi d'une autorisation d'émettre à la chaîne Numéro 23 et de sa vente l'Assemblée nationale a souhaité que la lumière puisse être faite sur trois séries de faits les circonstances dans lesquelles une autorisation d'émettre à la télévision la société Diversité TV France pour diffuser la chaîne Numéro 23 les contrats mis en œuvre par le régulateur pour vérifier le respect des engagements qu'elle a souscrits et les conditions dans lesquelles ont voulu son actionnariat et son contrôle l'issue de six mois d'

investigations le tableau général que dresse le rapport labor par Marcel Rogemont est déifiant La commission d'enquête a pu acquiescer la conviction qu'il y a eu un certain point volontaire de monnayer une autorisation d'utiliser le domaine public hertzien Cela a été rendu possible grâce à la légèreté sinon la connivence du régulateur c'est lui qui a retenu un projet de chaîne très contestable et qui a arrêté des obligations peu contraignantes puis qui a n'importe quel exercice avec la rigueur nécessaire les compétences dont il dispose pour contrôler les évolutions financières et éditoriales de la chaîne C'est que revêt le dossier Numéro 23 est autant les agissements de personnes habiles se saisissant d'un thème porteur pour obtenir exploiter puis vendre un service de télévision dans un contexte de rareté des fréquences disponibles que les limites d'un système de régulation qui a été impuissant préserver l'intérêt général C'est pourquoi la commission d'enquête a formulé neuf propositions ayant pour but que l'utilisation du domaine public hertzien pour la libre communication audiovisuelle ne soit plus d'obstacle au profit d'intérêts différents

Un pouvoir sous influence Roger Lenglet, Olivier Vilain, 2011-10-19 Ce livre est une enquête sur les minences grises qui orientent les grands choix économiques sociaux et sanitaires de nos dirigeants politiques En France ces hommes de l'ombre sont devenus incontournables pour qui veut comprendre les décisions de nos décideurs et les évolutions du débat public Paradoxalement ils restent méconnus des citoyens Les auteurs Roger Lenglet et Olivier Vilain sont journalistes d'investigation passés maîtres dans l'art de dévoiler les secrets les mieux gardés et d'attaquer les sujets les plus explosifs titre d'exemple Roger Lenglet s'est illustré il y a peu pour avoir révélé l'importance des manœuvres financières pratiquées par les organisations syndicales françaises Dans cet ouvrage ils examinent l'influence de ces conseillers très puissants auprès des politiques et les réseaux qui les appuient Ils reviennent aussi leurs adversités les nuances qui trahissent leurs différents liens avec les grandes puissances financières les différents lobbies et les formations politiques Qui sont-ils Comment travaillent-ils En quoi les groupes qu'ils forment sont-ils différents des clubs intellectuels qu'a connus la France par le passé Quels sont ceux qui ont la faveur de nos dirigeants politiques Qui les finance et pour qui travaillent-ils réellement Quelle est leur indépendance Quelle est l'influence de chacun et quel avenir nous préparent-ils Telles sont les questions qui se posent et dont les réponses structurent le sommaire de l'ouvrage Au fil de l'écriture les auteurs retracent les tapes de leur enquête sur le terrain auprès des protagonistes politiques des intellectuels concernés et de leurs groupes de réflexion et d'influence cercles plus ou moins fermés et secrets où se redessine notre avenir et où ils forgent les réponses aux questions devenues brûlantes du chômage du droit du travail des retraites du système de santé des privatisations du logement de la place de l'état Ils prennent ainsi la mesure du pouvoir de ces personnalités sur les décisions gouvernementales sur les programmes politiques et sur le législateur Cette enquête montrera également que ces minences grises n'ont pas gardé intacte leur liberté d'esprit leurs convictions ou leur faculté d'indignation et qu'ils réfléchissent aussi en fonction des forces en présence des attentes des partenaires qui les alimentent et de la place qu'ils veulent prendre ou conserver Les auteurs regarderont froidement ce pragmatisme où se recompose le paysage intellectuel et politique français et poseront aussi le problème de la servitude de ces cerveaux de l'

instrumentalisation de la pensée qui peut en résulter et de ses traductions dans l'économie et l'idéologie. Chemin faisant ils dresseront un état des lieux de la pensée politique qui est en train de se transformer dans notre pays sous les pressions concurrentes des lobbies et dans lequel la notion d'intérêt général tend se perdre dans la plus grande confusion. Au fil des pages enrichies par son lot de scoops de révélations le lecteur découvrir les dessous intellectuels de nos dirigeants et des transformations politiques de notre pays au cours des dernières décennies. Cette enquête jette un éclairage inédit sur l'histoire de la France récente et sur celle qui nous attend.

Piège d'identité Gilles Finchelstein, 2016-01-20 J'ai critiqué cet essai pour vous. Vous qui vous inquiétez de l'état de la démocratie. Vous qui vous interrogez sur ce qui reste du clivage entre la gauche et la droite. Vous qui redoutez de voir notre vie publique tout entière restructurée autour du populisme. Vous qui constatez que le débat sur la galit a laissé la place au débat sur l'identité. Vous qui voulez comprendre comment la France et l'Europe en sont arrivées là. Vous qui ne vous résignez pas et rêvez de voir le débat politique retrouver de la profondeur et de la vérité. Gilles Finchelstein Gilles Finchelstein est directeur général de la Fondation Jean Jaurès et directeur des études chez Havas Worldwide. Après le succès de *La dictature de l'urgence* Fayard 2011 qui interroge notre rapport au temps, il nous propose *Piège d'identité* une réflexion sur notre démocratie qui dessine le fond de décor de la campagne présidentielle qui commence.

Pierre Bergé. Le Pygmalion Véronique Richebois, Alexandre Debouté, 2020-01-29 Pierre Berg est mort il y a deux ans en laissant derrière lui une vie tiroirs. Destin exceptionnel du fils d'une institutrice de l'île d'Oléron qui a quitté sa famille sans le bac pour tenter sa chance. Paris où il deviendra l'un de ses princes les plus riches, puissants et redoutés. Homosexuel sans avoir eu peur de l'afficher. Amant et agent de deux artistes de génie Bernard Buffet dans les années 1950 puis Yves Saint Laurent jusqu'à la mort du couturier en 2008. Redoutable homme d'affaires, mec, ne ami du président François Mitterrand, président de l'Opéra de Paris et porte drapeau de la gauche. Véronique Richebois et Alexandre Debout partent sur les traces d'un homme secret qui disait ne jamais regarder en arrière mais qui doit beaucoup son passé. Les auteurs ont recueilli des dizaines de témoignages exclusifs sur les différentes périodes de la vie de Pierre Berg. La Rochelle, Paris, Marrakech ou Manosque. Parmi ces témoignages Blanche Buffet, Sylvie Giono, Charlotte Aillaud, Thadée Klossowski, Betty Catroux, Bernard Henri Lévy ou Jack Lang. Leur biographie la première complète paraît depuis la mort de Pierre Berg, met notamment en lumière les années peu connues des débuts du jeune homme de 17 ans, Paris, les hauts et les bas de sa vie avec le peintre tourment Bernard Buffet, les heurts et malheurs aussi de sa relation passionnelle avec Yves Saint Laurent. Ce portrait dressé travers le regard des personnalités les plus marquantes de son existence montre un Pierre Berg complexe d'termin toujours vaillant et acerbé, alors qu'il luttait contre la maladie les dix dernières années de sa vie.

Bottin administratif, 1998 **Le Point**, 2006 **Bottin administratif et documentaire**, 1998 **Repère**, 2012 *Innovation Policies in the European News Media Industry* Hans van Kranenburg, 2017-02-15 This book explores the importance and the types of media innovation policies formulated and implemented in various European countries. Each country analysis illustrates the evolution and structure of news media.

markets and media cross ownership policies in recent years and evaluates how innovation policies stimulate innovative activities in journalism and news media The main objective of this book is to promote discussion on how innovation policies can help the news media industry to meet development needs and requirements in the future It will help scholars politicians and practitioners in the media industry to identify best practices to support innovation in a rapidly changing news media landscape

Pierre Bergé sous toutes les coutures Yann Kerlau, 2018-05-09 Si l'esprit de Pierre Bergé a gardé le brillant du cristal l'eau en est trouble l'image de son maître Mais n'est-ce pas aussi ce qui en fait l'attrait pour certains et provoque la répulsion des autres S'il n'avait pas réussi à sortir de sa niche cette politique extrême serait restée un insupportable roquet aboyant nuit et jour dans l'indifférence de ses propriétaires En faisant de sa vie non pas un roman mais une pop e Pierre Bergé y jette en peinture l'amour et l'ambition la sexualité et la russite Au milieu des billets de banque les jeux de l'esprit et du corps se patinent retardant sans cesse l'heure d'une retraite qui lui fait horreur Familier des puissants conquérant mène philanthrope militant imprévisible et frivole tranchant et implacable ses heures Pierre Bergé 1930-2017 échappe toute définition Il laisse derrière lui le mystère d'une personnalité aussi impressionnante qu'insaisissable Yann Kerlau dévoile ici les multiples visages d'un visionnaire qui contre vents et marées a su préserver un patrimoine unique la maison Yves Saint Laurent Le portrait flamboyant d'une figure du XX^e siècle
