Once upon a time there was a poor miller who had a beautiful daughter.

Once upon a time there was a poor miller who had a beautiful daughter. The miller told the king that his daughter knew how to transform straw into gold. The king summoned the daughter straight away.

The king placed the daughter into a room and ordered her to spin all the straw into gold in one night or she would die.

The miller's daughter sat and wept. She didn't know how to spin straw into gold. When, all of a sudden a little man entered the room.

"What will you give me if I spin everything into gold?" asked the little man.  
"I will give you my necklace," replied the miller's daughter.
