Across The Gap Jean M. Morris, 2016-11-07 An account of how in the wake of The Industrial Revolution a little known corner of rural England was transformed into an area of dense industrial activity The arrival of the alkali trade in Widnes and the subsequent explosion in population changed the social structure of the area and created great divisions in society The indigenous communities who had lived and worked in time honoured rural occupations for generations were swallowed up by a growing workforce of migrant workers from all corners of Britain and Ireland As a consequence the social fabric of the area was irrevocably altered and the devastating effect of industry on the landscape and environment created huge problems This book allows us to see how a new unskilled workforce struggled to adapt to factory disciplines and routines as well as a new urban way of living

A Sunless Sea Anne Perry, 2013-08-27 Anne Perry's spellbinding Victorian mysteries especially those featuring William Monk

have enthralled readers for a generation The Plain Dealer calls Monk a marvelously dark brooding creation and true to form this masterpiece is as deceptively deep and twisty as the Thames As commander of the River Police Monk is accustomed to violent death but the mutilated female body found on Limehouse Pier one chilly December morning moves him with horror and pity The victim s name is Zenia Gadney Her waterfront neighbors can tell him little only that the same unknown gentleman had visited her once a month for many years She must be a prostitute but described as quiet and kempt she doesn t appear to be a fallen woman What sinister secrets could have made poor Zenia worth killing And why does the government keep interfering in Monk s investigation While the public cries out for blood Monk his spirited wife Hester and their brilliant barrister friend Oliver Rathbone search for answers From dank waterfront alleys to London s fabulously wealthy West End the three trail an ice blooded murderer toward the unbelievable possibly unprovable truth and ultimately engage their adversaries in an electric courtroom duel But unless they can work a miracle a monumental evil will go unpunished and an innocent person will hang Anne Perry has never worn her literary colors with greater distinction than in A Sunless Sea a heart pounding novel of intrigue and suspense in which Monk is driven to make the hardest decision of his life Includes an excerpt from Anne Perry s next William Monk novel Blind Justice Praise for A Sunless Sea Anne Perry s Victorian mysteries are marvels The New York Times Book Review Unexpected twists and revelations keep the plot humming with typical Anne Perry deception and wit Bookreporter Much more than a whodunit this book is possibly the author s best yet Publishers Weekly starred review **Yorkshire County Magazine** Joseph Horsfall Turner,1893 **Pitman's Journal of Commercial Education** ,1913
