Nixon Ford And Carter Administrations Study Guide:

A Study Guide for Maxine Kumin's "Address to the Angels" Gale, Cengage Learning, 2016 A Study Guide for Maxine Kumin's *Address to the Angels* excerpted from Gale's acclaimed *Poetry for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Poetry for Students* for all of your research needs. *U.S. Army War College Guide to Strategy*, *Guide to the Presidency and the Executive Branch* Michael Nelson, 2012-08-13 This comprehensive two-volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U.S. presidency. Readers turn to *Guide to the Presidency and the Executive Branch* for its wealth of facts and analytical chapters that explain the structure, powers, and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W. Bush presidency, the 2008 election, and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad, and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U.S. presidency, and all chapters in each subject area have been revised and updated. **Origins and Development of the Presidency** including constitutional beginnings, history of the presidency and vice presidency, and presidential ratings. **Selection and Removal of the President** including the electoral process, a chronology of presidential elections, removal of the president and vice president, and succession. **Powers of the Presidency** including the unilateral powers of the presidency and those as chief of state, chief administrator, legislative leader, commander in chief, and chief economist. **The President, the Public, and the Parties** including presidential appearances, the president and political parties, the president and the news media, the presidency and pop culture, public support and opinion, and the president and interest groups. **The Presidency and the Executive Branch** including the White House Office, the Office of the Vice President, supporting organizations, the cabinet, and executive departments. **Presidential commissions and executive branch housing**, pay, and perquisites. **Chief Executive and Federal Government** including the president and Congress, the president and the Supreme Court, and the president and the bureaucracy. **Presidents, their Families, and Life in the White House and Beyond** including the daily life of the president, the first lady, the first family, friends of presidents, and life after the presidency. **Biographies of the Presidents, Vice Presidents, First Ladies**. This new volume also features more than 200 textboxes, tables, and figures. Major revisions cover the supporting White House organizations and the president's role as chief economist. Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions.

Guide to the Presidency Michael Nelson, 2015-05-01 The *Guide to the Presidency* is an extensive study of the most important office of the U.S. political system. Its two volumes describe the history, workings, and people involved in this office from Washington to Clinton. The thirty-seven chapters of the *Guide* are arranged into seven distinct subject areas ranging from

the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton's Inaugural Address and another which provides results from elections and polls and statistics from each office

Understanding The American Promise,

Volume 2: From 1865 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Alan Lawson, Susan M. Hartmann, 2011-02-15 In response to the ever changing challenges of teaching the survey course Understanding the American Promise combines a newly abridged narrative with an innovative chapter architecture to focus students attention on what's truly significant Each chapter is fully designed to guide students comprehension and foster their development of historical skills Brief and affordable but still balanced in its coverage this new textbook combines distinctive study aids a bold new design and lively art to give your students a clear pathway to what's important

[Marijuana Boom](#) Lina Britto, 2020-03-24 Before Colombia became one of the world's largest producers of cocaine in the 1980s traffickers from the Caribbean coast partnered with American buyers in the 1970s to make the South American country the main supplier of marijuana for a booming US drug market fueled by the US hippie counterculture How did Colombia become central to the creation of an international drug trafficking circuit Marijuana Boom is the story of this forgotten history Combining deep archival research with unprecedented oral history Lina Britto deciphers a puzzle Why did the Colombian coffee republic a model of Latin American representative democracy and economic modernization transform into a drug paradise and at what cost

Beyond the Cold War Francis J. Gavin, Mark Atwood Lawrence, 2014-03 As globalization has deepened in recent years historians have begun to see that many of the global challenges we face today first drew serious attention in the 1960s This book examines how the Johnson presidency responded to these problems and draws out the lessons for today

Strategic Review, 1981 dedicated to the advancement and understanding of those principles and practices military and

political which serve the vital security interests of the United States **U.S. Foreign Policy and National Security** Robert T. Davis II, 2010-04-09 This comprehensive guide provides an in depth chronological overview of issues and policy processes related to U S foreign military and national security policy during the 20th century U S Foreign Policy and National Security Chronology and Index for the 20th Century provides a unique compilation of data never before combined in a single volume Key events and policy meetings are arranged in order by presidential administration from the McKinley administration to that of President Obama Each section begins with a concise list of policymakers including Cabinet level officials members of the National Security Council and senior ranks of the Department of State and Department of Defense supplemented with bibliographic data The bulk of each chapter is comprised of detailed lists of meetings of the president of the United States with key advisors and foreign dignitaries These meetings include international conferences meetings between the president and foreign leaders meetings of the joint chiefs of staff in World War II and meetings of the National Security Council since its creation in 1947 This unprecedented guide will be invaluable to researchers and indeed to anyone interested in the decisions that determined the course of U S history **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1979 *I Want You!* Bernard D. Rostker, K. C. Yeh, 2006-09-08 As U S military forces appear overcommitted and some ponder a possible return to the draft the timing is ideal for a review of how the American military transformed itself over the past five decades from a poorly disciplined force of conscripts and draft motivated volunteers to a force of professionals revered throughout the world Starting in the early 1960s this account runs through the current war in Iraq with alternating chapters on the history of the all volunteer force and the analytic background that supported decisionmaking The author participated as an analyst and government policymaker in many of the events covered in this book His insider status and access offer a behind the scenes look at decisionmaking within the Pentagon and White House The book includes a foreword by former Secretary of Defense Melvin R Laird The accompanying DVD contains more than 1 700 primary source documents government memoranda Presidential memos and letters staff papers and reports linked directly from citations in the electronic version of the book This unique technology presents a treasure trove of materials for specialists researchers and students of military history public administration and government affairs to draw upon *Polling to Govern* Diane J. Heith, 2004 Presidents spend millions of dollars on public opinion polling while in office Critics often point to this polling as evidence that a permanent campaign has taken over the White House at the expense of traditional governance But has presidential polling truly changed the shape of presidential leadership Diane J Heith examines the polling practices of six presidential administrations those of Nixon Ford Carter Reagan Bush and Clinton dissecting the poll apparatus of each period She contends that while White House polls significantly influence presidential messages and responses to events they do not impact presidential decisions to the extent that observers often claim Heith concludes that polling and thus the campaign environment exists in tandem with long established governing strategies **Guide to the White House Staff**

Shirley Anne Warshaw, 2013-03-27 Guide to the White House Staff is an insightful new work examining the evolution and current role of the White House staff. It provides a study of executive legislative relations, organizational behavior, policy making, and White House cabinet relations. The work also makes an important contribution to the study of public administration for researchers seeking to understand the inner workings of the White House. In eight thematically arranged chapters, Guide to the White House Staff Reviews the early members of the White House staff and details the need for statutory authorization and funding for staff expansion. Addresses the creation of the Executive Office of the President (EOP) and a formal White House staff in 1939. Explores the statutes, executive orders, and succession of reorganization plans that shaped and refined the EOP. Traces the evolution of White House staff from FDR to Obama and the specialization of staff across policy and political units. Explores how presidential transitions have operated since Eisenhower created the position of chief of staff. Explains the expansion of presidential in-house policymaking structures beginning with national security and continuing with economic and domestic policy. Covers the exodus of staff and the roles remaining staff played during the second terms of presidents. Examines the post-White House careers of staff. Guide to the White House Staff also provides easily accessible biographies of key White House staff members who served the presidencies of Richard M. Nixon through George W. Bush. This valuable new reference will find a home in collections supporting research on the American presidency, public policy, and public administration. National Security United States. General Accounting Office, 1988 **Parameters**, 1982
