*Escape from the Golden Cage* Arti Kotak Triklani, 2019-06-24 Why can't a girl help her father financially Why can't a girl be the pillar of the family when tough time blows in Why is a girl asked to give up on her dreams after her marriage Why are daughters and daughter in laws always differentiated as far as their dreams freedom and ambitions are concerned Why can't a woman support a woman for her progress Who is responsible for a woman's bondage and servility The society or a woman herself This book throws light on the social issues which take place within four walls of a house especially in a woman's life These are not the apparent problems like terrorism religious rebels pollution issues racism's global warming etc These are the hidden issues which suppress and destroy the entire life of women silently especially those women who have their own wings to fly Since centuries women have been getting dominated for some or other reasons Still this tyranny has not lost its stability Before she used to be dominated physically in this century she faces the oligarchy mentally by not getting permission from the society to have her own space Many a times she is not allowed to have her own space even for good works Sometimes she is prevented by the men or women and sometimes she herself accepts her slavery Why women force women to accept that there is no life of a woman after marriage This negative thought binds her to make her marriage life doomed She is ready to gain the responsibility that is why she gets married happily with positive thoughts but along with the responsibilities of the entire family if she steals sometime for herself to do the work of her own interest what is wrong in that Aditi the protagonist of the story cannot give the answers of all the above questions which are faced by various Indian women but she finds the solution of it and the solution is Ignorance and Escape Her consistency of ignoring the social tyranny for women's honour and independence takes her towards her career goals
