Nexus 5 Survival Guide Toly K, 2014-01-14 The Nexus 5 is Google's first phone to natively run Android Kit Kat. As a result, the Nexus 5 is packed full of new features never before seen on any Android phone, such as a much improved Phone application, better voice searching, built-in caller ID that automatically searches the web for the phone number, and a completely redesigned text and video chat application. This guide will introduce you to these new features and show you how to use them. This book gives task-based instructions without using any technical jargon. Learning which buttons perform which functions is useless unless you know how it will help you in your everyday use of the Nexus 5. Therefore, this guide will teach you how to perform the most common tasks. Instead of presenting arbitrary instructions in lengthy paragraphs, this book gives unambiguous, simple, step-by-step procedures. Additionally, detailed screenshots help you to confirm that you are on the right track. This Survival Guide also goes above and beyond to explain secret Tips and Tricks to help you accomplish your day-to-day tasks much faster. If you get stuck, just refer to the Troubleshooting section to figure out and solve the problem.

The useful information provided here is not discussed in the official Nexus 7 manual such as tips and tricks, hidden features, and troubleshooting advice. This guide also goes above and beyond by discussing recent known issues and solutions that may be currently available. This Google Nexus 7 FHD guide includes: Getting Started, Performing First Time Setup, Exporting and Importing Files Using a PC or Mac, Finding FREE eBooks, Managing Applications, Purchasing Applications, Uninstalling an Application, Taking Pictures, Applying Special Effects to Pictures, Using the Gmail Application, Writing an Email, Adding Labels to Emails, Managing Contacts, Adding a New Contact, Sharing Contact Information via Email, Using the Chrome Web Browser, Opening More than One Website at a Time, Recalling Sites More Quickly on Subsequent Visits, Nexus friendly Websites that Save You Time Typing in Long URL's, Using the Kindle Reader for the Nexus 7, Using Play Books for the Nexus 7, Adjusting the Settings, Using Bluetooth, Changing the Notification Ringtone, Locking the Screen with Your Face, Changing the Wallpaper, Tips and Tricks, Turning Google Now On or Off, Adding a Navigation Shortcut to the Home Screen, Troubleshooting Google Play, Contact Resources.

*Android Tablets for Seniors in easy steps* Nick Vandome, 2013-06-05. Tablet computers are beginning to appear everywhere on the digital landscape and at first sight they can be slightly daunting in terms of what they can do and how to make best use of them. Tablets are by no means a passing gimmick; however, and in many ways they have the potential to replace desktop or laptop computers in many households. Tablets are powerful, portable, and packed full of functionality for most computing tasks. Android is the operating system on a wide range of tablets, and it is one of the major players in this market. As the appetite for mobile computing increases, the use of Android tablets is also likely to increase significantly. *Android Tablets for Seniors in easy steps* looks at the range of devices available and their specifications and functionality. It also explains the Android operating system and how to use it on your tablet in terms of navigating around, performing all of your favourite tasks, getting online, and turning your tablet into a mobile library and entertainment centre. Android tablets offer an interactive touch screen experience, and the book shows how to get up and running with this so that you can quickly find your way around with Android. It also details how you can use the Android settings to ensure that your tablet looks and works in exactly the way that you want. Apps are the programs that give Android tablets their functionality, and this is covered in depth from using the preinstalled apps to downloading and using the huge selection available from the

Google Play Store which is linked directly to Android tablets It also shows how to get the best apps for popular activities such as travel health and wellbeing family history and online shopping Online connectivity is a vital element for tablets and the book looks at connecting to the web via Wi Fi using email making phone and video calls to family and friends with Skype and diving into the world of social networking Security on tablets is just as important as on any other computer and this is covered in terms of preventing access to your tablet and staying safe online and when using your apps Overall Android Tablets for Seniors in easy steps shows the value of having one of these devices and presents clear and visually attractive advice in larger type for easier reading about joining the latest computer revolution so that you can feel confident about participating in the world of mobile computing The book features the Google Nexus but is applicable to all tablets running the Android operating system
